***Early Conditional Parole For  
Deportation Only (ECPDO)***

Under the provisions of the Sentencing Reform Act of 1995, foreign-born inmates who are committed for a non-violent felony offense and have a final order of deportation are eligible to be considered for release by the Parole Board prior to the completion of their minimum term of imprisonment for purposes of deportation only. These pre-parole eligibility releases are referred to as Early Conditional Parole for Deportation Only (ECPDO) releases.

There were 2,036 ECPDO releases from Department custody between July 1, 1995 and December 31, 2008. The felony class breakdown of ECPDO releases by calendar year is as follows:
