**NYS DEPARTMENT OF CORRECTIONS AND COMMUNITY SUPERVISION
REQUEST FOR PROPOSALS #2019-09
LIFE SKILLS & PARENTING PROGRAM AT ALBION CORRECTIONAL FACILITY**

I. OVERVIEW

The New York State Department of Corrections and Community Supervision, henceforth referred to as the Department, is a member agency of the Executive Branch of the government of the State of New York, charged with the responsibility of providing care and custody of convicted felons. As a State agency, it is composed of a central office, located in Albany, New York and 53 correctional facilities located throughout the State.

The Department, in its goal to rehabilitate persons under its custody, has the responsibility to provide them with the opportunity to participate in educational, transitional, therapeutic, and treatment programs. There is an established belief that programs that are family focused are equally important to the rehabilitation process and should continue to be included in programming.

The Department is seeking a vendor to provide life skills and parenting program services to female inmates at the Albion Correctional Facility. The goal of the program is to empower participants with the self-confidence and life skills necessary to make better choices, engage in positive behaviors, and make improvements in their lives (including participation in GED, vocational, and other programming) that will enable them to successfully reintegrate into the community. The parenting program should be designed to help women improve parenting skills and knowledge on the stages of child development. The long-term goal is to decrease recidivism among participants by helping them to address the issues and behaviors that led to their incarceration and equip them with the emotional strength and tools necessary to create healthier, more self-sufficient lifestyles for themselves and their families.

V. SCOPE OF SERVICES

The New York State Department of Corrections and Community Supervision, henceforth referred to as "The Department" seeks to select, through a competitive bidding process, a vendor or vendors to provide a comprehensive direct service program consisting of life skills and parenting program services, to incarcerated women at Albion Correctional Facility. This RFP consists of (2) main components or Lots.

Separate Proposals will be received for Lot 1 and/or Lot 2.

Lot 1: Life Skills Component.

Lot 2: Parenting Program Component.

PROGRAM DESCRIPTION:

The life skills and parenting program services will be offered to female inmates at the Albion Correctional Facility from October 1, 2019 through September 30, 2024. The goal of the programs is to empower participants with the self-confidence, life skills, and parenting skills necessary to make better choices, engage in positive behaviors, and make improvements in their lives (including participation in GED, vocational, and other programming) that will enable them to successfully reintegrate into the community. The life skills program should be designed to help women identify their strengths, become more self-aware, and regain their self-esteem. The parenting program should be designed to help women improve parenting skills, communication skills and knowledge of the stages of child development. The long-term goal of the program is to decrease recidivism among participants by helping them to address the issues and behaviors that led to their incarceration and equip them with the emotional strength and tools necessary to create healthier, more self-sufficient lifestyles for themselves and their families.

CRITERIA

There is strict criterion for mothers to participate in the program.

It has been determined that approximately 88% of incarcerated women have histories of alcohol and/or substance abuse; and the majority have been victims of physical or sexual abuse. Therefore, if they are to make a successful transition from incarceration to their families and community, they must have the opportunity to participate in comprehensive and intensive programs, and to have access to appropriate services in the community during incarceration.

Detailed descriptions of the program components are included in Part Two of this RFP.

The purpose of the Request for Proposal (RFP) is to provide prospective bidders with the information and instructions necessary to prepare and submit a proposal. This Request for Proposal shall be incorporated into and made part of the final contract between the Department and the bidder(s) awarded the contracts.

The Department anticipates awarding two contracts, the selection of which will be based on an evaluation of all proposals and quoted costs from qualified bidders, subject to final approval by the Offices of the Attorney General and Comptroller of the State of New York.

- They will comply with all standard and appropriate regulations governing contracts with the State of New York (see Attachment A). All provisions and requirements of Appendix A Standard Clauses for New York State Contracts (dated January 2014) will be incorporated into any contract resulting from this solicitation and will be binding upon the parties to such contract.
- That they have a willingness to work with DOCCS to achieve any goals established relative to sub-contracting and purchasing supplies from Minority and Women-Owned Businesses (M/WBE) (see Attachment F – M/WBE Requirements and Forms).

M/WBE Compliance

CONTRACTOR REQUIREMENTS AND PROCEDURES FOR PARTICIPATION BY NEW YORK STATE CERTIFIED MINORITY AND WOMEN-OWNED BUSINESS ENTERPRISES AND EQUAL EMPLOYMENT OPPORTUNITIES FOR MINORITY GROUP MEMBERS AND WOMEN

New York State Law: Pursuant to New York State Executive Law Article 15-A and Parts 140-145 of Title 5 of the New York Codes, Rules and Regulations DOCCS is required to promote opportunities for the

maximum feasible participation of New York State-certified Minority and Women-owned Business Enterprises ("MWBEs") and the employment of minority group members and women in the performance of DOCCS contracts.

Business Participation Opportunities for MWBEs

For purposes of this solicitation, DOCCS hereby establishes an overall goal of 0 percent for MWBE participation, **0 percent** for New York State-certified Minority-owned Business Enterprise ("MBE") participation and **0 percent** for New York State-certified Women-owned Business Enterprise ("WBE") participation (based on the current availability of MBEs and WBEs). A contractor ("Contractor") on any contract resulting from this procurement ("Contract") must document its good faith efforts to provide meaningful participation by MWBEs as subcontractors and suppliers in the performance of the Contract. To that end, by submitting a response to this RFP, the bidder agrees that DOCCS may withhold payment pursuant to any Contract awarded as a result of this RFP pending receipt of the required MWBE documentation. The directory of MWBEs can be viewed at: <https://ny.newnycontracts.com>. For guidance on how DOCCS will evaluate a Contractor's "good faith efforts," refer to 5 NYCRR § 142.8.

The bidder understands that only sums paid to MWBEs for the performance of a commercially useful function, as that term is defined in 5 NYCRR § 140.1, may be applied towards the achievement of the applicable MWBE participation goal.

The portion of a contract with an MWBE serving as a broker that shall be deemed to represent the commercially useful function performed by the MWBE shall be 25 percent of the total value of the contract.

In accordance with 5 NYCRR § 142.13, the bidder further acknowledges that if it is found to have willfully and intentionally failed to comply with the MWBE participation goals set forth in a Contract resulting from this solicitation, such finding constitutes a breach of contract and DOCCS may withhold payment as liquidated damages.

Such liquidated damages shall be calculated as an amount equaling the difference between: (1) all sums identified for payment to MWBEs had the Contractor achieved the contractual MWBE goals; and (2) all sums actually paid to MWBEs for work performed or materials supplied under the Contract.

By submitting a bid or proposal, a bidder agrees to demonstrate its good faith efforts to achieve the applicable MWBE participation goals by submitting evidence thereof through the New York State Contract System ("NYSCS"), which can be viewed at <https://ny.newnycontracts.com>, provided, however, that a bidder may arrange to provide such evidence via a non-electronic method by contacting the designated contact(s) for this procurement. Additionally, a bidder will be required to submit the following documents and information as evidence of compliance with the foregoing:

1. An MWBE Utilization Plan with their bid or proposal. Any modifications or changes to an accepted MWBE Utilization Plan after the Contract award and during the term of the Contract must be reported on a revised MWBE Utilization Plan and submitted to DOCCS for review and approval.

DOCCS will review the submitted MWBE Utilization Plan and advise the bidder of DOCCS acceptance or issue a notice of deficiency within 30 days of receipt.

2. If a notice of deficiency is issued, the bidder will be required to respond to the notice of deficiency within seven (7) business days of receipt by submitting to DOCCS, a written remedy in response to the notice of deficiency. If the written remedy that is submitted is not timely or is found by DOCCS to be inadequate, DOCCS shall notify the bidder and direct the bidder to submit, within five (5) business days, a request for a partial or total waiver of MWBE participation goals. Failure to file the waiver form in a timely manner may be grounds for disqualification of the bid or proposal.

DOCCS may disqualify a bidder as being non-responsive under the following circumstances:

- a. If a bidder fails to submit an MWBE Utilization Plan;
- b. If a bidder fails to submit a written remedy to a notice of deficiency;

- c. If a bidder fails to submit a request for waiver; or
- d. If DOCCS determines that the bidder has failed to document good faith efforts.

The successful bidder will be required to attempt to utilize, in good faith, any MBE or WBE identified within its MWBE Utilization Plan, during the performance of the Contract. Requests for a partial or total waiver of established goal requirements made subsequent to Contract Award may be made at any time during the term of the Contract to DOCCS, but must be made no later than prior to the submission of a request for final payment on the Contract.

The successful bidder will be required to submit a quarterly M/WBE Contractor Compliance & Subcontractor Payment Report to DOCCS, by the 10th day following each end of quarter as applicable over the term of the Contract documenting the progress made toward achievement of the MWBE goals of the Contract.

Equal Employment Opportunity Requirements

By submission of a bid or proposal in response to this solicitation, the bidder agrees with all of the terms and conditions of Appendix A – Standard Clauses for All New York State Contracts including Clause 12 - Equal Employment Opportunities for Minorities and Women. The bidder is required to ensure that it and any subcontractors awarded a subcontract for the construction, demolition, replacement, major repair, renovation, planning or design of real property and improvements thereon (the "Work"), except where the Work is for the beneficial use of the bidder, undertake or continue programs to ensure that minority group members and women are afforded equal employment opportunities without discrimination because of race, creed, color, national origin, sex, age, disability or marital status. For these purposes, equal opportunity shall apply in the areas of recruitment, employment, job assignment, promotion, upgrading, demotion, transfer, layoff, termination, and rates of pay or other forms of compensation. This requirement does not apply to: (i) work, goods, or services unrelated to the Contract; or (ii) employment outside New York State.

The bidder will be required to submit a Minority and Women-owned Business Enterprise and Equal Employment Opportunity Policy Statement to DOCCS with its bid or proposal.

If awarded a Contract, bidder shall submit a Workforce Utilization Report and shall require each of its Subcontractors to submit a Workforce Utilization Report, in such format as shall be required by DOCCS on a quarterly basis as required during the term of the Contract.

Pursuant to Executive Order #162, contractors and subcontractors will also be required to report the gross wages paid to each of their employees for the work performed by such employees on the contract utilizing the Workforce Utilization Report on a quarterly basis.

Further, pursuant to Article 15 of the Executive Law (the "Human Rights Law"), all other State and Federal statutory and constitutional non-discrimination provisions, the Contractor and sub-contractors will not discriminate against any employee or applicant for employment because of race, creed (religion), color, sex, national origin, sexual orientation, military status, age, disability, predisposing genetic characteristic, marital status or domestic violence victim status, and shall also follow the requirements of the Human Rights Law with regard to non-discrimination on the basis of prior criminal conviction and prior arrest.

Please Note: Failure to comply with the foregoing requirements may result in a finding of non-responsiveness, non-responsibility and/or a breach of the Contract, leading to the withholding of funds, suspension or termination of the Contract or such other actions or enforcement proceedings as allowed by the Contract.

Use of Service-Disabled Veteran-Owned Business Enterprises in Contract Performance

Article 17-B of the New York State Executive Law provides for more meaningful participation in public procurement by certified Service-Disabled Veteran-Owned Businesses ("SDVOBs"), thereby further integrating such businesses into New York State's economy. DOCCS recognizes the need to promote the employment of service-disabled veterans and to ensure that certified service-disabled veteran-owned businesses have opportunities for maximum feasible participation in the performance of DOCCS contracts.

In recognition of the service and sacrifices made by service-disabled veterans and in recognition of their economic activity in doing business in New York State, Bidders/Contractors are strongly encouraged and expected to consider SDVOBs in the fulfillment of the requirements of the Contract. Such participation may be as subcontractors or suppliers, as protégés, or in other partnering or supporting roles.

For purposes of this procurement, DOCCS conducted a comprehensive search and determined that the Contract does not offer sufficient opportunities to set specific goals for participation by SDVOBs as subcontractors, service providers, and suppliers to Contractor. Nevertheless, Bidder/Contractor is encouraged to make good faith efforts to promote and assist in the participation of SDVOBs on the Contract for the provision of services and materials. The directory of New York State Certified SDVOBs can be viewed at: <https://ogs.ny.gov/veterans/>

Bidder/Contractor is encouraged to contact the Office of General Services' (OGS) Division of Service-Disabled Veteran's Business Development at 518-474-2015 or VeteransDevelopment@ogs.ny.gov to discuss methods of maximizing participation by SDVOBs on the Contract.

Tax Law § 5-A

TAX LAW § 5-A (Amended April 26, 2006): Tax Law § 5-a, as amended on April 26, 2006, requires certain contractors who are awarded state contracts for commodities and/or services valued at more than \$100,000 (over the full term of the contract, excluding renewals) to certify to the Department of Taxation and Finance (DTF) they are registered to collect New York State (NYS) and local sales and compensating use taxes. The law applies to contracts where the total amount of the contractor's sales delivered into NYS exceed \$300,000 for the four quarterly periods immediately preceding the quarterly period when the certification is made; and with respect to any affiliates and subcontractors whose sales delivered into NYS also exceed \$300,000 in the same manner as noted above for the contractor.

This law imposes upon certain contractors the obligation to certify whether or not the contractor, its affiliates, and its subcontractors are required to register to collect state sales and compensating use tax. The contractors must certify to DTF that each affiliate and subcontractor exceeding the sales threshold is registered with DTF to collect such State and local sales and compensating use taxes. The law prohibits the Comptroller, or other approving agency, from approving a contract to a vendor who is not registered in accordance with the law.

There are two (2) Contractor certification forms, with instructions, required for this bid. Form ST-220-TD is to be submitted directly to DTF. Submission to DTF is a one-time occurrence. If you have already submitted this form to DTF for other bidding opportunities, you do not need to submit the form attached to this bid. If, however, any certification information changes, a new ST-220-TD must be filed with DTF. Form ST-220-CA must be completed and submitted with this bid. This form certifies to the procuring agency that the contractor has filed ST-220-TD with DTF in compliance with the law.

Bidders should complete and submit the certification forms within two business days of request (if the forms are not submitted to DTF and/or returned with bid). Bidders shall take the necessary steps to provide properly certified forms within a timely manner to ensure compliance with the law, as failure to do so may render a bidder non-responsive and non-responsible.

Vendors may call DTF at 1-800-698-2909 for any and all questions relating to Tax Law § 5-a and relating to a company's registration status with DTF. For additional information and frequently asked questions, please refer to the DTF website: <http://www.tax.ny.gov>.

Sexual Harassment Prevention

Pursuant to New York State Finance Law § 139-I, every bid made on or after January 1, 2019 to the State or any public department or agency thereof, where competitive bidding is required by statute, rule or regulation, for work or services performed or to be performed or goods sold or to be sold, and where otherwise required by such public department or agency, shall contain a certification that the bidder has and has implemented a written policy addressing sexual harassment prevention in the workplace and provides annual sexual harassment prevention training to all of its employees. Such policy shall, at a minimum, meet the requirements of New York State Labor Law § 201-g: <https://www.nysenate.gov/legislation/laws/LAB/201-G>

New York State Labor Law § 201-g provides requirements for such policy and training and directs the Department of Labor, in consultation with the Division of Human Rights, to create and publish a model sexual harassment prevention guidance document, sexual harassment prevention policy and sexual harassment prevention training program that employers may utilize to meet the requirements of New York State Labor Law § 201-g. The model sexual harassment prevention policy, model sexual harassment training materials, and further guidance for employers, can be found online at the following URL: <https://www.ny.gov/combating-sexual-harassment-workplace/employers>

Pursuant to New York State Finance Law § 139-I, any bid by a corporate bidder containing the certification required above shall be deemed to have been authorized by the board of directors of such bidder, and such authorization shall be deemed to include the signing and submission of such bid and the inclusion therein of such statement as the act and deed of the bidder.

If the Bidder cannot make the required certification, such Bidder shall so state and shall furnish with the bid a signed statement that sets forth in detail the reasons that the Bidder cannot make the certification. After review and consideration of such statement, DOCCS may reject the bid or may decide that there are sufficient reasons to accept the bid without such certification.

Public Officers Law

Contractors, consultants, vendors, and subcontractors may hire former State Agency or Authority employees. However, as a general rule and in accordance with New York Public Officers Law, former employees of the State Agency or Authority may neither appear nor practice before the State Agency or Authority, nor receive compensation for services rendered on a matter before the State Agency or Authority, for a period of two years following their separation from State Agency or Authority service. In addition, former

State Agency or Authority employees are subject to a "lifetime bar" from appearing before the State Agency or Authority or receiving compensation for services regarding any transaction in which they personally participated or which was under their active consideration during their tenure with the State Agency or Authority.

Ethics Requirements

The Contractor and its Subcontractors shall not engage any person who is, or has been at any time, in the employ of the State to perform services in violation of the provisions of the New York Public Officers Law, other laws applicable to the service of State employees, and the rules, regulations, opinions, guidelines or policies promulgated or issued by the New York State Joint Commission on Public Ethics, or its predecessors (collectively, the "Ethics Requirements"). The Contractor certifies that all of its employees and those of its Subcontractors who are former employees of the State and who are assigned to perform

services under this Contract shall be assigned in accordance with all Ethics Requirements. During the Term, no person who is employed by the Contractor or its Subcontractors and who is disqualified from providing services under this Contract pursuant to any Ethics Requirements may share in any net revenues of the Contractor or its Subcontractors derived from this Contract. The Contractor shall identify and provide the State with notice of those employees of the Contractor and its Subcontractors who are former employees of the State that will be assigned to perform services under this Contract, and make sure that such employees comply with all applicable laws and prohibitions. The State may request that the Contractor provide it with whatever information the State deems appropriate about each such person's engagement, work cooperatively with the State to solicit advice from the New York State Joint Commission on Public Ethics, and, if deemed appropriate by the State, instruct any such person to seek the opinion of the New York State Joint Commission on Public Ethics. The State shall have the right to withdraw or withhold approval of any Subcontractor if utilizing such Subcontractor for any work performed hereunder would be in conflict with any of the Ethics Requirements. The State shall have the right to terminate this Contract at any time if any work performed hereunder is in conflict with any of the Ethics Requirements.

Vendor Responsibility

Contractor must agree to the terms and conditions as noted in Section IX – Legal Required Forms of the RFP concerning Vendor Responsibility.

Encouraging Use of New York State Subcontractors and Suppliers

Public procurements can drive and improve the State's economic engine through promotion of the use of New York businesses by its Contractors. The State, therefore, expects Bidders to provide maximum assistance to New York businesses in their use of the Contract. The potential participation by all kinds of New York businesses will deliver great value to the State and its taxpayers. Read and complete the attached Encouraging Use of New York State Businesses in Contract Performance located in Attachment F and return as part of your proposal.

Diversity Practices

DOCCS has determined, pursuant to New York State Executive Law Article 15-A, that the assessment of the diversity practices of respondents to this procurement is practical, feasible, and appropriate. Diversity practices are the efforts of contractors to include New York State-certified Minority and Women-owned Business Enterprises ("M/WBES") in their business practices. Diversity practices may include past, present, or future actions and policies, and include activities of contractor's contracts with private entities and governmental units other than the State of New York. Assessing the diversity practices of contractors enables contractors to engage in meaningful, capacity-building collaborations with M/WBES.

Accordingly, respondents to this procurement shall be required to include as part of their proposal response to this procurement, as described in this RFP herein, the Diversity Practices Questionnaire as provided by the Division of Minority and Women's Business Development. Bidders must complete the questionnaire in Attachment G. The bidders' responses will be evaluated using a predetermined rating scale.

DOCCS Departmental Directives, Policies and Procedures

Contractor must agree to comply with all applicable New York State and DOCCS policies, procedures, regulations and directives throughout the term of the contract. Any individual Provider or staff hired by the Contractor to work in the facilities and approved by DOCCS, by virtue of accepting his/her assignment, must abide by all policies, rules and regulations of the Department.

Specifically, each individual Provider is to be made aware of and agree to comply with the following Department Directives, as currently written, or as revised. (see Attachment I).

- #2216-Fingerprinting/Criminal History Inquiry-New Employees and Contractors
- #4750 – Volunteer Services Program

- #4027A – Sexual Abuse Prevention & Intervention - Inmate-on-Inmate
- #4028A – Sexual Abuse Prevention & Intervention – Staff -on-Inmate
- #4936 - Search of DOCCS Employees

Note: Directive #4900 is not included in this RFP, but will be made available to the approved Contractor. This Directive will have no bearing on bid price.

Each Provider shall participate in an Orientation Program at the facility in accordance with Training Manual 7.150 "Orientation Program for Per Diem and Non-Departmental Employees" (included in Attachment I).

DOCCS Policies implementing the Prison Rape Elimination Act (PREA)

In keeping with the Prison Rape Elimination Act (PREA), DOCCS has zero tolerance for sexual abuse or sexual harassment. DOCCS recognizes that inmates and parolees have the right to be free from sexual abuse and sexual harassment.

The contractor agrees to participate in Orientation and periodic training: Contractor shall require all staff to participate in general PREA training ("Sexual Abuse Prevention and Response Introduction/Refresher") as well as specialized PREA training for medical professionals ("Inmate Sexual Assault Post Exposure Protocol/PREA") prior to providing services under the Contract. Such training shall be conducted at the Correctional Facility and each Provider shall sign acknowledgement forms that they have completed and understand the training that has been provided. Periodic training, including review of annual written refresher information (DOCCS Training Bulletin #7) and refresher training at least every two years, is also mandatory.

The training will address the contractor's responsibilities under the Department's sexual abuse and sexual harassment prevention, detection, and response policies and procedures pursuant to PREA. This includes zero-tolerance for sexual abuse and sexual harassment; Providers duties to report allegations of sexual abuse, harassment or retaliation; the right of inmates to be free from sexual abuse and harassment; how to avoid inappropriate relationships with inmates; how to communicate effectively and professionally with inmates including lesbian, gay, bisexual, transgender, intersex, and gender nonconforming inmates; and other requirements.

Providers will read the most updated version of the Policy on the Prevention of Sexual Abuse of Inmates and Training Bulletin 7 "PREA: Sexual Abuse Prevention and Response". All Providers must acknowledge receipt in writing that they will be held accountable for and act in accordance with the policy and the law.

Prohibition of Sexual Misconduct

Providers are prohibited from having any sexual contact or engaging in any sexual conduct with an inmate. In accordance with Penal Law section 130.05, it is a crime for any employee to engage in sexual conduct or sexual contact with an inmate. For purposes of Penal Law section 130.05, an employee also includes any person providing direct services to inmates in a State correctional facility pursuant to a contractual arrangement with the Department or, in the case of a volunteer, a written agreement with the Department.

Any Provider who engages in sexual abuse shall be prohibited from contact with inmates and shall be reported to law enforcement agencies, unless the activity was clearly not criminal, and to relevant licensing bodies. DOCCS shall take appropriate remedial measures, and shall consider whether to prohibit further contact with inmates, in the case of any other violation of agency sexual abuse or sexual harassment policies by a Provider

Background Check Requirements

Background checks are required for all staff. As set forth below, Contractor shall be obligated to undertake and complete the following background checks for each Provider it proposes prior to the start of their engagement. DOCCS shall not be held liable for any costs incurred by the Contractor to perform background checks.

DOCCS shall perform a criminal background records check of each Provider under the contract in accordance with Directive #2216 "Fingerprinting/Criminal History Inquiry – New Employees, and Contractors."

1. Background Check

- a. When a Contractor proposes a Provider, any previously completed background check shall be furnished with such Provider's Master File at the time of proposal. If there was no previous background check, the Contractor shall perform a complete background check and provide the results thereof to the correctional facility. If a prior background check was completed more than six months, then the Contractor shall perform an updated background check and provide the results thereof to the correctional facility.
- b. The Contractor is responsible for completing background checks on each Provider prior to such Provider beginning work. The completion of a background check of a given Provider shall not provide a given Provider with clearance to secured areas. A Contractor is required to maintain records of background checks for the Contract term, to include them in the Candidate's Master File, and make such records available to the State when requested.
- c. At a minimum, the background check must include the following steps:
 - i. Undertaking a criminal history record check including a) a national criminal history check, and b) state and county criminal checks using the NYS Office of Court Administration (NYSOCA) and comparable searches of states where the person lived, worked or attended school during the past five years. In the alternative, a Contractor may elect to obtain the record of convictions from NYSOCA directly and from their equivalents from other states where the person lived, worked or attended school during the past 5 years;
 - ii. For positions in which the Candidate may be working directly or indirectly with minors, the elderly, or incapacitated individuals, determine if the Candidate is listed on the NYS Sex Offender Registry. The Authorized User is responsible for communicating these circumstances to the Contractor;
 - iii. Verification of previous employment for the past five years;
 - iv. Verification of educational background;
 - v. Verification of social security number and U.S. citizenship or legal resident status;
 - vi. Any other check requested by the correctional facility as necessary.

After the completion of the background check, the Contractor shall provide the results to the correctional facility. The correctional facility shall review the information and make a determination about the suitability of the Provider in accordance with the relevant statutory and contractual provisions.

2. Staff Removal

If a Contractor becomes aware that any Provider it has provided to work for a correctional facility becomes a potential unacceptable risk to the State, the Contractor shall immediately notify the correctional facility, and jointly decide if it is necessary to remove that Provider from the site. If a Provider is removed, the Contractor will propose a qualified substitute. A correctional facility may waive the removal of a Provider by providing a written waiver to the Contractor. Should a correctional facility find a Provider to be an unacceptable risk to the State, the correctional facility shall notify the Contractor and may request that the Contractor provide a replacement.

Master File - "Master File" shall mean an electronic file maintained by Contractor for each staff servicing the correctional facility. The Master File must include: qualifications, certifications, licenses, and background checks.

VII. ADMINISTRATIVE INFORMATION

A. Method of Award

This is a service contract solicitation. Proposals will be reviewed and evaluated by a selection panel using a predetermined scoring method. The resulting scores of the selection panel will be documented and filed in the Procurement Record. Awards will be approved by the offices of the

Attorney General and the State Comptroller, as required by law. Because this is a service contract solicitation, awards will be made on the basis of "best value from a responsive and responsible offeror," in accordance with the State Finance Law. "Best value" for the purpose of this solicitation shall mean "the bid obtaining the highest overall combined score based on the technical score, diversity practice score, plus the financial evaluation score."

B. Price

Bidders are required to submit pricing using **Attachment C - Cost Proposal Form**. Cost information must not appear in the technical proposal. All cost information must be completely independent as this is reviewed separately. The cost submittal must be enclosed in a **separate, sealed envelope labeled "RFP 2019-09 Cost Proposal."**

Bidder's bid price shall be inclusive of all costs including travel, licenses, insurance, administrative, profit, all labor and equipment costs, reporting or other requirements, all overhead costs, and other ancillary costs. Details of service not explicitly stated in these specifications, but necessarily attendant thereto are deemed to be understood by the Bidder and included herein.

C. Term of Contract

The contract resulting from this RFP will start on October 1, 2019 or upon OSC approval, whichever date is later, and continue for a term of five (5) years.

D. Method of Payment

Any payment made by DOCCS to the contract vendor will be made through direct payment upon submission of billing invoices. Compensating balances will not be employed. Contract vendor must provide complete and accurate billing invoices to DOCCS in order to receive payment. Billing invoices submitted to DOCCS on a standard voucher must contain all information and supporting documentation. The Contractor will need to submit billing invoices on a monthly basis. Specific invoicing schedules will be determined mutually between DOCCS and the Contractor after notice of contract award. The contractor is required to submit a budget modification detailing any programmatic or line item changes to the original contract budget to the DOCCS's Contract Manager. All programmatic changes to the contract budget must be pre-approved by DOCCS. Any budget modification that is greater than 5 percent will require a detailed justification. Failure to submit a valid budget modification will delay the processing of vouchers for payment.

Payment for invoices submitted by the Contractor shall only be rendered electronically unless payment by paper check is expressly authorized by the Commissioner, in the Commissioner's sole discretion, due to extenuating circumstances. Such electronic payment shall be made in accordance with ordinary State procedures and practices. The Contractor shall comply with the State Comptroller's procedures to authorize electronic payments. Authorization forms are available at the State Comptroller's website at www.osc.state.ny.us/epay/index.htm, by email at epayments@osc.state.ny.us or telephone 855-233-8363.

Contractor acknowledges that it will not receive payment on any invoices submitted under this contract if it does not comply with the State Comptroller's electronic payment procedures, except where the Commissioner has expressly authorized payment by paper check as set forth above.

Please note that in conjunction with New York State's implementation of a new Statewide Financial System (SFS), the Office of the State Comptroller (OSC) requires all vendors doing business with New York State agencies to be a registered vendor within OSC's Vendor Management Unit. For contracts to be approved and executed by both DOCCS and OSC, a contractor must be enrolled in SFS. If the awardee does not already have a New York State Vendor ID, upon notice of contract award, the contractor must submit a completed OSC Substitute W-9 form to DOCCS. This information will allow DOCCS to initiate the vendor registration process. Once a vendor has received a NYS Vendor ID, they will be able to enroll in SFS. If the contractor is already a registered

vendor and enrolled within SFS, the contractor shall provide their assigned NYS Vendor ID upon request.

Instructions regarding invoice submission will be provided to the vendor after notice of contract award.

E. Price Adjustment (Escalation/De-escalation)

Bidders should submit a proposal with the understanding that all rates shall be firm for the first year of the contract. When requested, 60 days prior to each anniversary for years two (2) through five (5) of the award, the Contractor or DOCCS may request a rate change (increase or decrease) based upon fluctuations in the latest published copy of the Consumer Price Index (CPI) for All Urban Consumers, as published by the U.S. Department of Labor, Bureau of Labor Statistics, Washington, D.C. 20212. **(Specifically—Northeast Urban, Not Seasonally Adjusted, Services, Series ID: CUUR0100SA0)**. No adjustment shall exceed five (5) percent. The index is also available through the Internet at the US Bureau of Labor Statistics web site at www.bls.gov.

If during the time the Price Adjustment is requested, and the above series ID is discontinued or no longer published on the BLS website (www.bls.gov), the DOCCS will negotiate a mutually acceptable replacement index. Adjustments will be based on the most recent monthly data available at the time of final contract approval. Once established, the same month will be used for the entire term of the contract.

The Contractor has the sole responsibility to submit invoices at the adjusted rate on the applicable anniversary date and shall provide a copy of the index and other supporting documentation necessary to support the increase or decrease to the Authorized User, as appropriate. Should the Contractor fail to submit adjusted invoices and/or supporting documentation within three (3) months after the applicable anniversary date, the Contractor shall be deemed to have waived its right to any increase in price for that year, but the State shall not be barred from making the appropriate adjustment in the case of a decrease determined in accordance with the above methodology.

Price adjustments, if approved, will be effective on the contract anniversary date of December 1. Any increase will not take effect until approval is received from the New York State Office of the State Comptroller and the contractor is notified accordingly.

VIII. CONTRACT CLAUSES

A. Freedom of Information Law / Trade Secrets

During the evaluation process, the content of each bid will be held in confidence and details of any bid will not be revealed (except as may be required under the Freedom of Information Law or other State law). The Freedom of Information Law provides for an exemption from disclosure for trade secrets or information the disclosure of which would cause injury to the competitive position of commercial enterprises. This exception would be effective both during and after the evaluation process. Should you feel your firm's bid contains any such trade secrets or other confidential or proprietary information, **you must submit a request to except such information from disclosure**. Such request must be in writing, must state the reasons why the information should be accepted from disclosure and must be provided at the time of submission of the subject information. Requests for exemption of the entire contents of a bid from disclosure have generally not been found to be meritorious and are discouraged. Kindly limit any requests for exemption of information from disclosure to bona fide trade secrets or specific information, the disclosure of which would cause a substantial injury to the competitive position of your firm.

B. Conflict of Interest:

Bidder must disclose any existing or contemplated relationship with any other person or entity, including relationships with any member, shareholders of 5% or more, parent, subsidiary, or

affiliated firm, which would constitute an actual or potential conflict of interest or appearance of impropriety, relating to other clients/customers of the Respondent or former officers and employees of the Agencies and their Affiliates, in connection with your rendering services enumerated in this RFP. If a conflict does or might exist, please describe how your Staffing Firm would eliminate or prevent it. Indicate what procedures will be followed to detect, notify the Agencies of, and resolve any such conflicts.

Bidder must disclose whether it, or any of its members, shareholders of 5% or more, parents, affiliates, or subsidiaries, have been the subject of any investigation or disciplinary action by the New York State Commission on Public Integrity or its predecessor State entities (collectively, "Commission"), and if so, a brief description must be included indicating how any matter before the Commission was resolved or whether it remains unresolved.

Additionally, a bidder will be required to submit the **Vendor Assurance of No Conflict of Interest or Detrimental Effect** form located within this RFP as evidence of compliance with the foregoing.

C. Subcontracting

The Contractor agrees not to subcontract any of its services, unless as indicated in its bid, without the prior written approval of the DOCCS. Approval shall not be unreasonably withheld upon receipt of written request to subcontract.

The Contractor may arrange for a portion/s of its responsibilities to be subcontracted to qualified, responsible subcontractors, subject to approval of the DOCCS. If the Contractor determines to subcontract a portion of the services, the subcontractors must be clearly identified and the nature and extent of its involvement in and/or proposed performance must be fully explained by the Contractor to the DOCCS. As part of this explanation, the subcontractor must submit to the DOCCS a completed Vendor Assurance of No Conflict of Interest or Detrimental Effect form, as required by the Contractor prior to execution of a contract.

The Contractor retains ultimate responsibility for all services performed under a contract.

All subcontracts shall be in writing and shall contain provisions, which are functionally identical to, and consistent with, the provisions of this RFP. Unless waived in writing by DOCCS, all subcontracts between the Contractor and subcontractors shall expressly name DOCCS as the sole intended third party beneficiary of such subcontract. DOCCS reserves the right to review and approve or reject any subcontract, as well as any amendment to said subcontract(s), and this right shall not make DOCCS a party to any subcontract or create any right, claim, or interest in the subcontractor or proposed subcontractor against DOCCS.

DOCCS reserves the right, at any time during the contract term to verify that the written subcontract between the Contractor and subcontractors is in compliance with all of the provisions of this Section and any subcontract provisions contained in this RFP.

The Contractor shall give DOCCS immediate notice in writing of the initiation of any legal action or suit which relates in any way to a subcontract with a subcontractor or which may affect the performance of the Contractor's duties under a contract. Any subcontract shall not relieve the Contractor in any way of any responsibility, duty and/or obligation of a contract.

If at any time during performance under the contract the total compensation to a subcontractor exceeds or is expected to exceed \$100,000, that subcontractor shall be required to submit and certify a Vendor Responsibility Questionnaire.

D. Debriefing

Pursuant to Section 163(9)(c) of the State Finance Law, any unsuccessful Bidder may request a debriefing regarding the reasons that the Bid submitted by the Bidder was not selected for award. Requests for a debriefing must be made within 15 calendar days of notification by [AGENCY] that

the Bid submitted by the Bidder was not selected for award. Requests should be submitted in writing to a designated contact identified in the Solicitation.

E. Termination

1. Agency Termination

Event of default: If DOCCS, in its sole discretion, deems the Contractor's, or that of its officers, employees, subcontractors, agents, licensees, licensors, or affiliates, services are unsatisfactory, negligent or grossly negligent, DOCCS will send a written cure notice in accordance with the Notice provisions of the contract, and Contractor shall have thirty (30) days to correct the deficiencies noted. If the deficiencies are not corrected, DOCCS may terminate this contract immediately upon written notice. Notwithstanding the foregoing, DOCCS reserves the right to terminate immediately for cause.

Deficient Certifications: If the awarded contract has a value greater than \$15,000, DOCCS shall have the right to terminate in the event the State Finance Law sections 139-j and 139-k certifications executed by the Contractor are found to be false or incomplete. If the contract has a value of greater than \$100,000 and Contractor's sales for the immediately preceding four quarters were greater than \$300,000, or if the contract has a value of \$125,000 or greater, DOCCS shall have the right to terminate in the event the Contractor's Department of Taxation and Finance Contractor Certification form, ST 220-CA, statements are found to be false or incomplete.

Lack of Funds: If for any reason the State of New York terminates or reduces its appropriations to DOCCS, the awarded contract may be terminated or reduced at DOCCS's discretion, provided that no such reduction or termination shall apply to allowable costs already incurred by the Contractor where funds are available to the DOCCS for payment of such costs. In any event, no liability shall be incurred by the State (including DOCCS) beyond monies available for the purposes of the awarded contract.

DOCCS may terminate the awarded contract, upon written notice, in the event of any of the following: (i) Contractor makes an assignment for the benefit of creditors; (ii) a petition in bankruptcy or any insolvency proceeding is filed by or against Contractor and is not dismissed within thirty (30) days from the date of filing; or (iii) all or substantially all of Contractor's property is levied upon or sold in any judicial proceeding.

Convenience of DOCCS: The contract may be terminated at any time upon receipt of thirty (30) days prior written notice given by DOCCS for whatever reason.

This AGREEMENT may be terminated at any time upon mutual written consent of DOCCS and the CONTRACTOR.

In the event of the termination of this AGREEMENT by either party, DOCCS shall be liable for the actual and necessary expenses for services provided by CONTRACTOR up to and including the effective date of termination.

2. Procurement Lobbying Termination

The Department of Corrections and Community Supervision reserves the right to terminate this contract in the event it is found that the certification filed by the Offeror in accordance with New York State Finance Law §139-k was intentionally false or intentionally incomplete. Upon such finding, the Department of Corrections and Community Supervision may exercise its termination right by providing written notification to the Offeror in accordance with the written notification terms of this contract.

F. Ethics Compliance

All bidders/contractors and their employees must comply with the requirements of §§73 and 74 of the Public Officers Law, other state codes, rules, regulations, and executive orders establishing ethical standards for the conduct of business with New York State. In signing the Contract, the Contractor certifies full compliance with those provisions for any present or future dealings,

transactions, sales, contracts, services, offers, relations, etc., involving New York State and/or its employees. Failure to comply with those provisions may result in disqualification from the bidding process, termination of contract, and/or other civil or criminal proceedings as required by law.

G. Indemnification

The Contractor shall assume all risks of liability for its performance, or that of any of its officers, employees, subcontractors or agents, of any contract resulting from this solicitation and shall be solely responsible and liable for all liabilities, losses, damages, costs or expenses, including attorney's fees, arising from any claim, action or proceeding relating to or in any way connected with the performance of this Agreement and covenants and agrees to indemnify and hold harmless the State of New York, its agents, officers and employees, from any and all claims, suits, causes of action and losses of whatever kind and nature, arising out of or in connection with its performance of any contract resulting from this solicitation, including negligence, active or passive or improper conduct of the Contractor, its officers, agents, subcontractors or employees, or the failure by the Contractor, its officers, agents, subcontractors or employees to perform any obligations or commitments to the State or third parties arising out of or resulting from any contract resulting from this solicitation. The CONTRACTOR's duty to indemnify shall cover direct, indirect, special and consequential damages. Such indemnity shall not be limited to the insurance coverage herein prescribed.

H. New York State Vendor File Registration

Prior to being awarded a contract pursuant to this Solicitation, the Bidder(s) must be registered in the New York State Vendor File (Vendor File) administered by the Office of the State Comptroller (OSC). This is a central registry for all vendors who do business with New York State Agencies and the registration must be initiated by a State Agency. Following the initial registration, a unique New York State ten-digit vendor identification number will be assigned to your company for usage on all future transactions with New York State. Additionally, the Vendor File enables vendors to use the Vendor Self-Service application to manage all vendor information in one central location for all transactions related to the State of New York. If Bidder is already registered in the New York State Vendor File, list the ten-digit vendor ID number on the Application Cover Sheet (see Attachment B).

If a Bidder is not currently registered with the New York State Vendor File, upon notice of contract award, DOCCS shall request a completed OSC Substitute W-9 form. A fillable form with instructions can be found at the following link:

http://www.osc.state.ny.us/vendors/forms/ac3237s_fe.pdf. DOCCS will initiate the vendor registration process. Once the process is initiated, registrants will receive an email from OSC that includes the unique ten-digit vendor identification number assigned to the company and instructions on how to enroll in the online Vendor Self-Service application. For more information on the NYS Vendor File, visit: http://www.osc.state.ny.us/vendor_management/.

To request assignment of a NYS Vendor ID to access the VendRep System **in advance of submitting your bid**, contact the Office of the State Comptroller's Help Desk at 866-370-4672 or 518-408-4672 or by email at ITServiceDesk@osc.state.ny.us.

IX. LEGAL REQUIRED FORMS

Individuals and corporations entering into contracts with New York State are subject to various laws and must submit certain documents pursuant to State Law or policy. The forms and related excerpts from law, and/or instructions are included in Attachments E and F. Please review the forms carefully and note that some forms require notarized signatures. The mandatory forms and documents include:

- A. **The following documentation must be submitted at the time of bid submission:**

1. **Procurement Lobbying Act – State Finance Law § 139j and k – Certificate of Compliance**

Pursuant to State Finance Law §§139-j and 139-k, this solicitation includes and imposes certain restrictions on communications between DOCCS and an Offeror/Bidder during the procurement process. An Offeror/Bidder is restricted from making contacts from the earliest notice of intent to solicit offers/bids through final award and approval of the Procurement Contract by DOCCS and, if applicable, the Office of the State Comptroller (“restricted period”) to other than designated staff unless it is a contact that is included among certain statutory exceptions set forth in State Finance Law §139-j (3) (a). Designated staff, as of the date hereof, is identified in Section II – Designated Contact of this solicitation. DOCCS employees are also required to obtain certain information when contacted during the restricted period and make a determination of the responsibility of the Offeror/Bidder pursuant to these two statutes. Certain findings of non-responsibility can result in rejection for contract award and in the event of two findings within a four-year period, the Offeror/Bidder is debarred from obtaining governmental Procurement Contracts. Further information about these requirements can be found on the OGS website:

<http://www.ogs.ny.gov/Aboutogs/regulations/defaultAdvisoryCouncil.html>

2. **Vendor Responsibility Questionnaire**

DOCCS conducts a review of prospective contractors (“Bidders”) to provide reasonable assurances that the Bidder is responsive and responsible. A Questionnaire is used for non-construction contracts and is designed to provide information to assess a Bidder’s responsibility to conduct business in New York based upon financial and organizational capacity, legal authority, business integrity, and past performance history. By submitting a bid, Bidder agrees to fully and accurately complete the “Questionnaire.” The Bidder acknowledges that the State’s execution of the Contract will be contingent upon the State’s determination that the Bidder is responsible, and that the State will be relying upon the Bidder’s responses to the Questionnaire when making its responsibility determination.

DOCCS recommends each Bidder to file the required Questionnaire online via the New York State VendRep System. It is recommended that all Bidders become familiar with the requirements of the Questionnaire early in the process to provide sufficient time to complete the Questionnaire.

To enroll in the VendRep System, please refer to the VendRep System Instructions and User Support for Vendors available at the Office of the State Comptroller’s (OSC) website, http://www.osc.state.ny.us/vendrep/vendor_index.htm or to use, go directly to the VendRep System online at <https://portal.osc.state.ny.us/Enrollment/login>.

A Bidder’s online Questionnaire cannot be viewed by DOCCS until the Bidder has certified the Questionnaire. To assist the State in determining the responsibility of the Bidder, the Bidder should complete and certify (or recertify) the Questionnaire no more than six (6) months prior to the bid due date.

OSC provides direct support for the VendRep System through user assistance, documents, online help, and a help desk. For VendRep assistance, contact the OSC Help Desk at 866-370-4672 or 518-408-4672 or ITServiceDesk@osc.state.ny.us.

Bidders opting to complete the paper questionnaire can access this form and associated definitions via the OSC website at: http://www.osc.state.ny.us/vendrep/forms_vendor.htm

The Contractor must remain a responsible vendor throughout the duration of the contract and, if at any time the Contractor is found to be not responsible or there is a question as to the vendor’s responsibility, any activities pursuant to the contract may be suspended. Finally, the contract may be terminated following a finding of non-responsibility.

The Bidder agrees that if it is awarded a Contract the following shall apply:

The Bidder agrees that if it is found by the State that the Bidder’s responses to the Questionnaire were intentionally false or intentionally incomplete, on such finding, DOCCS may terminate the Contract. In no case shall such termination of the Contract by the State be deemed a breach

thereof, nor shall the State be liable for any damages for lost profits or otherwise, which may be sustained by the Contractor as a result of such termination.

The CONTRACTOR shall at all times during the Contract term remain responsible. The CONTRACTOR agrees, if requested by the Commissioner of DOCCS or his designee, to present evidence of its continuing legal authority to do business in New York State, integrity, experience, ability, prior performance, and organizational and financial capacity.

The DOCCS Commissioner or his designee, in his or her sole discretion, reserves the right to suspend any or all activities under this Contract, at any time, when he or she discovers information that calls into question the responsibility of the Contractor. In the event of such suspension, the Contractor will be given written notice outlining the particulars of such suspension. Upon issuance of such notice, the Contractor must comply with the terms of the suspension order. Contract activity may resume at such time as the DOCCS Commissioner or his designee issues a written notice authorizing a resumption of performance under the Contract.

Upon written notice to the Contractor, and a reasonable opportunity to be heard with appropriate DOCCS officials or staff, the Contract may be terminated by the NYS DOCCS at the Contractor's expense where the Contractor is determined by DOCCS to be non-responsible. In such event, DOCCS may complete the contractual requirements in any manner deemed advisable and pursue available legal equitable remedies for breach.

3. **Encouraging Use of New York State Businesses in Contract Performance** In an ongoing effort to use New York State (NYS) businesses, DOCCS encourages bidders to partner with NYS subcontractors and/or suppliers. If known, please identify the businesses and attach the requested information. Return the completed form with your proposal. 5. **EEO Staffing Plan**
The Bidder will be required to submit an Equal Employment Opportunity (EEO) Staffing Plan (Form EEO 100) identifying the anticipated work force to be utilized on the contract (see Attachment F).

B. The following documentation will be required from the Vendor upon notice of contract award.

1. Insurance Requirements

Prior to the commencement of the work to be performed by the Contractor hereunder, the Contractor shall file with The People of the State of New York, DOCCS, Certificates of Insurance (hereinafter referred to as "Certificates"), evidencing compliance with all requirements. Such Certificates shall be of a form and substance acceptable to DOCCS.

Certificate acceptance and/or approval by DOCCS does not and shall not be construed to relieve Contractor of any obligations, responsibilities or liabilities under the Contract.

Contractors shall be required to procure, at their sole cost and expense, and shall maintain in force at all times during the term of any Contract resulting from this Solicitation, policies of insurance as required by this Section. All insurance required by this Section shall be written by companies that

have an A.M. Best Company rating of "A-," Class "VII" or better. In addition, companies writing insurance intended to comply with the requirements of this Section should be licensed or authorized by the New York State Department of Financial Services to issue insurance in the State of New York. DOCCS may, in its sole discretion, accept policies of insurance written by a non-authorized carrier or carriers when certificates and/or other policy documents are accompanied by a completed Excess Lines Association of New York (ELANY) affidavit or other documents demonstrating the company's strong financial rating. If, during the term of a policy, the carrier's A.M. best rating falls below "A-," Class "VII," the insurance must be replaced, on or before the renewal date of the policy, with insurance that meets the requirements above.

Bidders and Contractors shall deliver to DOCCS evidence of the insurance required by this Solicitation and any Contract resulting from this Solicitation in a form satisfactory to DOCCS. Policies must be written in accordance with the requirements of the paragraphs below, as applicable. While acceptance of insurance documentation shall not be unreasonably withheld, conditioned or delayed, acceptance and/or approval by DOCCS does not, and shall not be construed to, relieve Bidders or Contractors of any obligations, responsibilities or liabilities under this Solicitation or any Contract resulting from this Solicitation.

The Contractor shall not take any action, or omit to take any action that would suspend or invalidate any of the required coverages during the term of the Contract.

- A. General Conditions Applicable to Insurance. All policies of insurance required by this Solicitation or any Contract resulting from this Solicitation shall comply with the following requirements:
1. Coverage Types and Policy Limits. The types of coverage and policy limits required from Bidders and Contractors are specified in Paragraph B Insurance Requirements below.
 2. Policy Forms. Except as otherwise specifically provided herein, or agreed to in the Contract resulting from this Solicitation, all policies of insurance required by this Section shall be written on an occurrence basis.
 3. Certificates of Insurance/Notices. Bidders and Contractors shall provide DOCCS with a Certificate or Certificates of Insurance, in a form satisfactory to DOCCS as detailed below, and pursuant to the timelines set forth in Section B below. Certificates shall reference the Solicitation or award number and shall name The New York State Department of Corrections and Community Supervision, Harriman Campus, 1220 Washington Avenue, Albany, New York 12226-2050, as the certificate holder.

Certificates of Insurance shall

- Be in the form acceptable to DOCCS and in accordance with the New York State Insurance Law (e.g., an ACORD certificate);
- Disclose any deductible, self-insured retention, aggregate limit or exclusion to the policy that materially changes the coverage required by this Solicitation or any Contract resulting from this Solicitation;
- Refer to this Solicitation and any Contract resulting from this Solicitation by award Contract number;
- Be signed by an authorized representative of the referenced insurance carriers; and
- Contain the following language in the Description of Operations / Locations / Vehicles section: Additional insured protection afforded is on a primary and non-contributory basis. A waiver of subrogation is granted in favor of the additional insureds.

Only original documents (certificates of insurance and any endorsements and other attachments) or electronic versions of the same that can be directly traced back to the insurer, agent or broker via e-mail distribution or similar means will be accepted.

DOCCS generally requires Contractors to submit only certificates of insurance and additional insured endorsements, although DOCCS reserves the right to request other proof of insurance. Contractors should refrain from submitting entire insurance policies,

unless specifically requested by DOCCS. If an entire insurance policy is submitted but not requested, DOCCS shall not be obligated to review and shall not be chargeable with knowledge of its contents. In addition, submission of an entire insurance policy not requested by DOCCS does not constitute proof of compliance with the insurance requirements and does not discharge Contractors from submitting the requested insurance documentation.

4. **Primary Coverage.** All liability insurance policies shall provide that the required coverage shall be primary and non-contributory to other insurance available to the People of the State of New York, the New York State Department of Corrections and Community Supervision, any entity authorized by law or regulation to use the Contract and their officers, agents, and employees. Any other insurance maintained by the People of the State of New York, the New York State Department of Corrections and Community Supervision, any entity authorized by law or regulation to use the contract and their officers, agents, and employees shall be excess of all applicable Contractor's insurance, including any umbrella and/or excess policies, and shall not contribute with the Bidder/Contractor's insurance.
5. **Breach for Lack of Proof of Coverage.** The failure to comply with the requirements of this Section at any time during the term of the Contract shall be considered a breach of the terms of the Contract and shall allow the People of the State of New York, the New York State Department of Corrections and Community Supervision, any entity authorized by law or regulation to use the Contract and their officers, agents, and employees to avail themselves of all remedies available under the Contract or at law or in equity.
6. **Self-Insured Retention/Deductibles.** Certificates of Insurance must indicate the applicable deductibles/self-insured retentions for each listed policy. Deductibles or self-insured retentions above \$100,000.00 are subject to approval from DOCCS. Such approval shall not be unreasonably withheld, conditioned or delayed. Bidders and Contractors shall be solely responsible for all claim expenses and loss payments within the deductibles or self-insured retentions. If the Bidder/Contractor is providing the required insurance through self-insurance, evidence of the financial capacity to support the self-insurance program along with a description of that program, including, but not limited to, information regarding the use of a third-party administrator shall be provided upon request. If the Contractor is unable to meet their obligation under any deductible, self-insured retention or self-insurance, neither the People of the State of New York nor DOCCS will be obligated to drop down to cover those amounts.
7. **Subcontractors.** Prior to the commencement of any work by a Subcontractor, the Contractor shall require such Subcontractor to procure policies of insurance as required by this Section and maintain the same in force during the term of any work performed by that Subcontractor.
8. **Waiver of Subrogation.** For all liability policies and the workers' compensation insurance required below, the Bidder/Contractor shall cause to be included in its policies insuring against loss, damage or destruction by fire or other insured casualty a waiver of the insurer's right of subrogation against the People of the State of New York, the New York State Department of Corrections and Community Supervision, any entity authorized by law or regulation to use the Contract and their officers, agents, and employees, or, if such waiver is unobtainable (i) an express agreement that such policy shall not be invalidated if the Contractor waives or has waived before the casualty, the right of recovery against The People of the State of New York, the New York State Department of Corrections and Community Supervision, any entity authorized by law or regulation to use the Contract and their officers, agents, and employees or (ii) any other form of permission for the release of The People of the State of New York, the New York State Department of Corrections and Community Supervision, any entity authorized by law or regulation to use the Contract and their officers, agents, and employees. A Waiver of Subrogation Endorsement shall be

provided upon request. A blanket Waiver of Subrogation Endorsement evidencing such coverage is also acceptable.

9. **Additional Insured.** The Contractor shall cause to be included in each of the liability policies required below, ISO form CG 20 10 11 85 (or a form or forms that provide equivalent coverage, such as the combination of CG 20 10 04 13 and CG 20 37 04 13) and form CA 20 48 10 13 (or a form or forms that provide equivalent coverage), naming as additional insureds: The People of the State of New York, the New York State Department of Corrections and Community Supervision, any entity authorized by law or regulation to use the Contract and their officers, agents, and employees. An Additional Insured Endorsement evidencing such coverage shall be provided to DOCCS pursuant to the timelines set forth in Section B below. A blanket Additional Insured Endorsement evidencing such coverage is also acceptable. For Contractors who are self-insured, the Contractor shall be obligated to defend and indemnify the above-named additional insureds with respect to Commercial General Liability and Business Automobile Liability, in the same manner that the Contractor would have been required to pursuant to this Section had the Contractor obtained such insurance policies.
10. **Excess/Umbrella Liability Policies.** Required insurance coverage limits may be provided through a combination of primary and excess/umbrella liability policies; however, a minimum of two million dollars (\$2,000,000.00) must be primary coverage for general liability and auto liability. All Contractor's applicable insurance policies, including umbrella and excess insurance, will be primary to any insurance, self-insurance, deductible or self-insured retention of The People of the State of New York, the New York State Department of Corrections and Community Supervision, or any entity authorized by law or regulation to use the Contract and their officers, agents, and employees. If coverage limits are provided through excess/umbrella liability policies, then a Schedule of underlying insurance listing policy information for all underlying insurance policies (insurer, policy number, policy term, coverage and limits of insurance), including proof that the excess/umbrella insurance follows form must be provided upon request.
11. **Notice of Cancellation or Non-Renewal.** Policies shall be written so as to include the requirements for notice of cancellation or non-renewal in accordance with the New York State Insurance Law. Within five (5) business days of receipt of any notice of cancellation or non-renewal of insurance, the Contractor shall provide DOCCS with a copy of any such notice received from an insurer together with proof of replacement coverage that complies with the insurance requirements of this Solicitation and any Contract resulting from this Solicitation.
12. **Policy Renewal/Expiration** Upon policy renewal/expiration, evidence of renewal or replacement of coverage that complies with the insurance requirements set forth in this Solicitation and any Contract resulting from this Solicitation shall be delivered to DOCCS. If, at any time during the term of any Contract resulting from this Solicitation, the coverage provisions and limits of the policies required herein do not meet the provisions and limits set forth in this Solicitation or any Contract resulting from this Solicitation, or proof thereof is not provided to DOCCS, the Contractor shall immediately cease work. The Contractor shall not resume work until authorized to do so by DOCCS.
13. **Deadlines for Providing Insurance Documents after Renewal or Upon Request.** As set forth herein, certain insurance documents must be provided to the DOCCS Procurement Services contact identified in the Contract Award Notice after renewal or upon request. This requirement means that the Contractor shall provide the applicable insurance document to DOCCS as soon as possible but in no event later than the following time periods:
 - For certificates of insurance: 5 business days
 - For information on self-insurance or self-retention programs: 15 calendar days

- For other requested documentation evidencing coverage: 15 calendar days
- For additional insured and waiver of subrogation endorsements: 30 calendar days

Notwithstanding the foregoing, if the Contractor shall have promptly requested the insurance documents from its broker or insurer and shall have thereafter diligently taken all steps necessary to obtain such documents from its insurer and submit them to DOCCS, DOCCS shall extend the time period for a reasonable period under the circumstances, but in no event shall the extension exceed 30 calendar days.

These requirements apply to both original contracts and renewals. **Failure to provide proper proof of such coverage or a legal exemption will result in a rejection of a Bid or any contract renewal. XIII. PROPOSAL EVALUATION CRITERIA AND SELECTION PROCESS

A. Proposal Evaluation and Scoring

DOCCS intends to award **separate** contracts for Lot 1 and Lot 2 as a result of this solicitation. DOCCS will award a contract based upon evaluation of all aspects of the program according to the needs of the agency and the best interests of the State of New York. Award will go to the provider whose proposal provides the **best value** as determined by DOCCS, pursuant to New York State Finance Law §163 (1)(j). This is defined as the most beneficial **combination of quality and costs** for the services being requested. If the evaluation results in a tie, price shall be the basis for determining the award recipient. The basis for determining the award shall be documented in the procurement record.

A committee of DOCCS personnel will evaluate proposals independently to determine which proposals are most capable of implementing DOCCS requirements based on the following criteria:

Phase 1 - Preliminary Review (Pass/Fail Criteria)

Phase 1 will consist of a review of each original proposal to ensure that all submission requirements (see Section XII, B) and mandatory requirements (see Section XI, A) are met. Failure to meet any of the submission and mandatory requirements in the original proposal may result in a proposal being considered non-responsive and may result in elimination from further evaluation. All original proposals that meet the submission and mandatory requirements will move to Phase 2. Phase 1 is not scored; it is reviewed for compliance in the pass/fail checklist (see Section XI, A):

Phase 2 - Technical Proposal Submittal (65%)

Phase 2 will consist of evaluation of your detailed technical proposal response (Part II). Proposals will be evaluated based on thoroughness in responding to each item listed in Section XI, B. All proposed services should be adequately and completely described. A paragraph-by-paragraph response in chronological order is advised to provide the Evaluation Committee with the best method to review your proposal.

The Evaluation Committee will grade each item listed in Section XI, B using a 0 – 5 rating scale. That rating will be applied to the item's weight to determine the item's points. Phase 2 scores are calculated by adding the total points of each evaluator and dividing that number by the total number of evaluators. This will create an average score of all evaluators.

Phase 3 – Diversity Practices (5%)

Respondents must complete Attachment G - Diversity Practices Questionnaire, as described in this RFP herein. The responses will be evaluated using a separate predetermined rating scale. The resulting scores assigned for diversity practice will be worth up to 5%. The Diversity Practices response is to be packaged in a **separate envelope** labeled as RFP 2019-09 Diversity Practices Questionnaire.

Phase 4 - Part III Cost Proposal Submittal (30%)

Phase 4 will consist of an evaluation of the overall cost (Part III) of each proposal. Bidders are required to submit pricing using Attachment C – Cost Proposal Form. Each proposal will be scored as follows:

The cost proposal with the lowest total fee will be awarded the maximum possible points. All other bidders will receive a proportionate number of points using the following formula: low bid/bid being evaluated X category weight.

B. Final Composite Score (100%)

The scores for the Technical submittal, Diversity Practices Questionnaire, and Cost submittal will comprise the final composite score. The bid having the highest final composite score will be ranked number one; the bid with the second highest score will be ranked number two and so on. If the evaluation results in a tie, price shall be the basis for determining the award recipient. The basis for determining the award shall be documented in the procurement record.

C. Notification of Award

After the evaluation, the successful Bidder will be notified in writing of a tentative award and that a contract will be forthcoming for execution. The original proposal, and any additions or deletions to the proposal become part of the contract. Contract awards are not final until approved by the Offices of the Attorney General and the State Comptroller.

The Contractor may, however, assign its right to receive payments without the State's prior written consent unless this contract concerns Certificates of Participation pursuant to Article 5-A of the State Finance Law.

3. COMPTROLLER'S APPROVAL. In accordance with Section 112 of the State Finance Law (or, if this contract is with the State University or City University of New York, Section 355 or Section 6218 of the Education Law), if this contract exceeds \$50,000 (or the minimum thresholds agreed to by the Office of the State Comptroller for certain S.U.N.Y. and C.U.N.Y. contracts), or if this is an amendment for any amount to a contract which, as so amended, exceeds said statutory amount, or if, by this contract, the State agrees to give something other than money when the value or reasonably estimated value of such consideration exceeds \$10,000, it shall not be valid, effective or binding upon the State until it has been approved by the State Comptroller and filed in his office. Comptroller's approval of contracts let by the Office of General Services is required when such contracts exceed \$85,000 (State Finance Law Section 163.6-a). However, such pre-approval shall not be required for any contract established as a centralized contract through the Office of General Services or for a purchase order or other transaction issued under such centralized contract.

4. WORKERS' COMPENSATION BENEFITS. In accordance with Section 142 of the State Finance Law, this contract shall be void and of no force and effect unless the Contractor shall provide and maintain coverage during the life of this contract for the benefit of such employees as are required to be covered by the provisions of the Workers' Compensation Law.

5. NON-DISCRIMINATION REQUIREMENTS. To the extent required by Article 15 of the Executive Law (also known as the Human Rights Law) and all other State and Federal statutory and constitutional non-discrimination provisions, the Contractor will not discriminate against any employee or applicant for employment because of race, creed, color, sex (including gender identity or expression), national origin, sexual orientation, military status, age, disability, predisposing genetic characteristics, marital status or domestic violence victim status. Furthermore, in accordance with Section 220-e of the Labor Law, if this is a contract for the construction, alteration or repair of any public building or public work or for the manufacture, sale or distribution of materials, equipment or supplies, and to the extent that this contract shall be performed within the State of New York, Contractor agrees that neither it nor its subcontractors shall, by reason of race, creed, color, disability, sex, or national origin: (a) discriminate in hiring against any New York State citizen who is qualified and available to perform the work; or (b) discriminate against or intimidate any employee hired for the performance of work under this contract. If this is a building service contract as defined in Section 230 of the Labor Law, then, in accordance with Section 239 thereof, Contractor agrees that neither it nor its subcontractors shall by reason of race, creed, color, national origin, age, sex or disability: (a) discriminate in hiring against any New York State citizen who is qualified and available to perform the work; or (b) discriminate against or intimidate any employee hired for the performance of work under this contract. Contractor is subject to fines of \$50.00 per person per day for any violation of Section 220-e or Section 239 as well as possible termination of this contract and forfeiture of all moneys due hereunder for a second or subsequent violation.

6. WAGE AND HOURS PROVISIONS. If this is a public work contract covered by Article 8 of the Labor Law or a building service contract covered by Article 9 thereof, neither Contractor's employees nor the employees of its subcontractors may be required or permitted to work more than the number of hours or days stated in said statutes, except as otherwise provided in the Labor Law and as set forth in prevailing wage and supplement schedules issued by the State Labor Department. Furthermore, Contractor and its subcontractors must pay at least the prevailing wage rate and pay or provide the prevailing supplements, including the premium rates for overtime pay, as determined by the State Labor Department in accordance with the Labor Law. Additionally, effective April 28, 2008, if this is a public work contract covered by Article 8 of the

Labor Law, the Contractor understands and agrees that the filing of payrolls in a manner consistent with Subdivision 3-a of Section 220 of the Labor Law shall be a condition precedent to payment by the State of any State approved sums due and owing for work done upon the project.

7. NON-COLLUSIVE BIDDING CERTIFICATION. In accordance with Section 139-d of the State Finance Law, if this contract was awarded based upon the submission of bids, Contractor affirms, under penalty of perjury, that its bid was arrived at independently and without collusion aimed at restricting competition. Contractor further affirms that, at the time Contractor submitted its bid, an authorized and responsible person executed and delivered to the State a non-collusive bidding certification on Contractor's behalf.

8. INTERNATIONAL BOYCOTT PROHIBITION. In accordance with Section 220-f of the Labor Law and Section 139-h of the State Finance Law, if this contract exceeds \$5,000, the Contractor agrees, as a material condition of the contract, that neither the Contractor nor any substantially owned or affiliated person, firm, partnership or corporation has participated, is participating, or shall participate in an international boycott in violation of the federal Export Administration Act of 1979 (50 USC App. Sections 2401 et seq.) or regulations thereunder. If such Contractor, or any of the aforesaid affiliates of Contractor, is convicted or is otherwise found to have violated said laws or regulations upon the final determination of the United States Commerce Department or any other appropriate agency of the United States subsequent to the contract's execution, such contract, amendment or modification thereto shall be rendered forfeit and void. The Contractor shall so notify the State Comptroller within five (5) business days of such conviction, determination or disposition of appeal (2NYCRR 105.4).

9. SET-OFF RIGHTS. The State shall have all of its common law, equitable and statutory rights of set-off. These rights shall include, but not be limited to, the State's option to withhold for the purposes of set-off any moneys due to the Contractor under this contract up to any amounts due and owing to the State with regard to this contract, any other contract with any State department or agency, including any contract for a term commencing prior to the term of this contract, plus any amounts due and owing to the State for any other reason including, without limitation, tax delinquencies, fee delinquencies or monetary penalties relative thereto. The State shall exercise its set-off rights in accordance with normal State practices including, in cases of set-off pursuant to an audit, the finalization of such audit by the State agency, its representatives, or the State Comptroller.

10. RECORDS. The Contractor shall establish and maintain complete and accurate books, records, documents, accounts and other evidence directly

pertinent to performance under this contract (hereinafter, collectively, "the Records"). The Records must be kept for the balance of the calendar year in which they were made and for six (6) additional years thereafter. The State Comptroller, the Attorney General and any other person or entity authorized to conduct an examination, as well as the agency or agencies involved in this contract, shall have access to the Records during normal business hours at an office of the Contractor within the State of New York or, if no such office is available, at a mutually agreeable and reasonable venue within the State, for the term specified above for the purposes of inspection, auditing and copying. The State shall take reasonable steps to protect from public disclosure any of the Records which are exempt from disclosure under Section 87 of the Public Officers Law (the "Statute") provided that: (i) the Contractor shall timely inform an appropriate State official, in writing, that said records should not be disclosed; and (ii) said records shall be sufficiently identified; and (iii) designation of said records as exempt under the Statute is reasonable. Nothing contained herein shall diminish, or in any way adversely affect, the State's right to discovery in any pending or future litigation.

11. IDENTIFYING INFORMATION AND PRIVACY NOTIFICATION.

(a) Identification Number(s). Every invoice or New York State Claim for Payment submitted to a New York State agency by a payee, for payment for the sale of goods or services or for transactions (e.g., leases, easements, licenses, etc.) related to real or personal property must include the payee's identification number. The number is any or all of the following: (i) the payee's Federal employer identification number, (ii) the payee's Federal social security number, and/or (iii) the payee's Vendor Identification Number assigned by the Statewide Financial System. Failure to include such number or numbers may delay payment. Where the payee does not have such number or numbers, the payee, on its invoice or Claim for Payment, must give the reason or reasons why the payee does not have such number or numbers.

(b) Privacy Notification. (1) The authority to request the above personal information from a seller of goods or services or a lessor of real or personal property, and the authority to maintain such information, is found in Section 5 of the State Tax Law. Disclosure of this information by the seller or lessor to the State is mandatory. The principal purpose for which the information is collected is to enable the State to identify individuals, businesses and others who have been delinquent in filing tax returns or may have understated their tax liabilities and to generally identify persons affected by the taxes administered by the Commissioner of Taxation and Finance. The information will be used for tax administration purposes and for any other purpose authorized by law. (2) The personal information is requested by the purchasing unit of the agency contracting to purchase the goods or services or lease the real or personal property covered by this contract or lease. The information is maintained in the

Statewide Financial System by the Vendor Management Unit within the Bureau of State Expenditures, Office of the State Comptroller, 110 State Street, Albany, New York 12236.

12. EQUAL EMPLOYMENT OPPORTUNITIES FOR MINORITIES AND WOMEN.

In accordance with Section 312 of the Executive Law and 5 NYCRR 143, if this contract is: (i) a written agreement or purchase order instrument, providing for a total expenditure in excess of \$25,000.00, whereby a contracting agency is committed to expend or does expend funds in return for labor, services, supplies, equipment, materials or any combination of the foregoing, to be performed for, or rendered or furnished to the contracting agency; or (ii) a written agreement in excess of \$100,000.00 whereby a contracting agency is committed to expend or does expend funds for the acquisition, construction, demolition, replacement, major repair or renovation of real property and improvements thereon; or (iii) a written agreement in excess of \$100,000.00 whereby the owner of a State assisted housing project is committed to expend or does expend funds for the acquisition, construction, demolition, replacement, major repair or renovation of real property and improvements thereon for such project, then the following shall apply and by signing this agreement the Contractor certifies and affirms that it is Contractor's equal employment opportunity policy that:

(a) The Contractor will not discriminate against employees or applicants for employment because of race, creed, color, national origin, sex, age, disability or marital status, shall make and document its conscientious and active efforts to employ and utilize minority group members and women in its work force on State contracts and will undertake or continue existing programs of affirmative action to ensure that minority group members and women are afforded equal employment opportunities without discrimination. Affirmative action shall mean recruitment, employment, job assignment, promotion, upgradings, demotion, transfer, layoff, or termination and rates of pay or other forms of compensation;

(b) at the request of the contracting agency, the Contractor shall request each employment agency, labor union, or authorized representative of workers with which it has a collective bargaining or other agreement or understanding, to furnish a written statement that such employment agency, labor union or representative will not discriminate on the basis of race, creed, color, national origin, sex, age, disability or marital status and that such union or representative will affirmatively cooperate in the implementation of the Contractor's obligations herein; and

(c) the Contractor shall state, in all solicitations or advertisements for employees, that, in the performance of the State contract, all qualified applicants will be afforded equal employment opportunities without discrimination because of race, creed, color, national origin, sex, age, disability or marital status.

Contractor will include the provisions of "a", "b", and "c" above, in every subcontract over \$25,000.00 for the construction, demolition, replacement, major repair, renovation, planning or design of real property and improvements thereon (the "Work") except where the Work is for the beneficial use of the Contractor. Section 312 does not apply to: (i) work, goods or services unrelated to this contract; or (ii) employment outside New York State. The State shall consider compliance by a contractor or subcontractor with the requirements of any federal law concerning equal employment opportunity which effectuates the purpose of this section. The contracting agency shall determine whether the imposition of the requirements of the provisions hereof duplicate or conflict with any such federal law and if such duplication or conflict exists, the contracting agency shall waive the applicability of Section 312 to the extent of such duplication or conflict. Contractor will comply with all duly promulgated and lawful rules and regulations of the Department of Economic Development's Division of Minority and Women's Business Development pertaining hereto.

13. CONFLICTING TERMS. In the event of a conflict between the terms of the contract (including any and all attachments thereto and amendments thereof) and the terms of this Appendix A, the terms of this Appendix A shall control.

14. GOVERNING LAW. This contract shall be governed by the laws of the State of New York except where the Federal supremacy clause requires otherwise.

15. LATE PAYMENT. Timeliness of payment and any interest to be paid to Contractor for late payment shall be governed by Article 11-A of the State Finance Law to the extent required by law.

16. NO ARBITRATION. Disputes involving this contract, including the breach or alleged breach thereof, may not be submitted to binding arbitration (except where statutorily authorized), but must, instead, be heard in a court of competent jurisdiction of the State of New York.

17. SERVICE OF PROCESS. In addition to the methods of service allowed by the State Civil Practice Law & Rules ("CPLR"), Contractor hereby consents to service of process upon it by registered or certified mail, return receipt requested. Service hereunder shall be complete upon Contractor's actual receipt of process or upon the State's receipt of the return thereof by the United States Postal Service as refused or undeliverable. Contractor must promptly notify the State, in writing, of each and every change of address to which service of process can be made. Service by the State to the last known address shall be sufficient. Contractor will have thirty (30) calendar days after service hereunder is complete in which to respond.

18. PROHIBITION ON PURCHASE OF TROPICAL HARDWOODS. The Contractor certifies and warrants that all wood products to be used under this contract award will be in accordance with, but not limited to, the specifications and provisions of Section 165 of the State Finance Law, (Use of Tropical Hardwoods) which prohibits purchase and use of tropical hardwoods, unless specifically exempted, by the State or any governmental agency or political subdivision or public benefit corporation. Qualification for an exemption under this law will be the responsibility of the contractor to establish to meet with the approval of the State.

In addition, when any portion of this contract involving the use of woods, whether supply or installation, is to be performed by any subcontractor, the prime Contractor will indicate and certify in the submitted bid proposal that the subcontractor has been informed and is in compliance with specifications and provisions regarding use of tropical hardwoods as detailed in §165 State Finance Law. Any such use must meet with the approval of the State; otherwise, the bid may not be considered responsive. Under bidder certifications, proof of qualification for exemption will be the responsibility of the Contractor to meet with the approval of the State.

19. MACBRIDE FAIR EMPLOYMENT PRINCIPLES. In accordance with the MacBride Fair Employment Principles (Chapter 807 of the Laws of 1992), the Contractor hereby stipulates that the Contractor either (a) has no business operations in Northern Ireland, or (b) shall take lawful steps in good faith to conduct any business operations in Northern Ireland in accordance with the MacBride Fair Employment Principles (as described in Section 165 of the New York State Finance Law), and shall permit independent monitoring of compliance with such principles.

The Contractor agrees to document these efforts and to provide said documentation to the State upon request; and

(d) The Contractor acknowledges notice that the State may seek to obtain offset credits from foreign countries as a result of this contract and agrees to cooperate with the State in these efforts.

21. RECIPROCITY AND SANCTIONS PROVISIONS. Bidders are hereby notified that if their principal place of business is located in a country, nation, province, state or political subdivision that penalizes New York State vendors, and if the goods or services they offer will be substantially produced or performed outside New York State, the Omnibus Procurement Act 1994 and 2000 amendments (Chapter 684 and Chapter 383, respectively) require that they be denied contracts which they would otherwise obtain. NOTE: As of May 15, 2002, the list of discriminatory jurisdictions subject to this provision includes the states of South Carolina, Alaska, West Virginia, Wyoming, Louisiana and Hawaii. Contact NYS Department of Economic Development for a current list of jurisdictions subject to this provision.

22. COMPLIANCE WITH NEW YORK STATE INFORMATION SECURITY BREACH AND NOTIFICATION ACT.

Contractor shall comply with the provisions of the New York State Information Security Breach and Notification Act (General Business Law Section 899-aa; State Technology Law Section 208).

23. COMPLIANCE WITH CONSULTANT DISCLOSURE LAW.

If this is a contract for consulting services, defined for purposes of this requirement to include analysis, evaluation, research, training, data processing, computer programming, engineering, environmental, health, and mental health services, accounting, auditing, paralegal, legal or similar services, then, in accordance with Section 163 (4-g) of the State Finance Law (as amended by Chapter 10 of the Laws of 2006), the Contractor shall timely, accurately and properly comply with the requirement to submit an annual employment report for the contract to the agency that awarded the contract, the Department of Civil Service and the State Comptroller.

24. PROCUREMENT LOBBYING. To the extent this agreement is a "procurement contract" as defined by State Finance Law Sections 139-j and 139-k, by signing this agreement the contractor certifies and affirms that all disclosures made in accordance with State Finance Law Sections 139-j and 139-k are complete, true and accurate. In the event such certification is found to be intentionally false or intentionally incomplete, the State may terminate the agreement by providing written notification to the Contractor in accordance with the terms of the agreement.

25. CERTIFICATION OF REGISTRATION TO COLLECT SALES AND COMPENSATING USE TAX BY CERTAIN STATE CONTRACTORS, AFFILIATES AND SUBCONTRACTORS.

To the extent this agreement is a contract as defined by Tax Law Section 5-a, if the contractor fails to make the certification required by Tax Law Section 5-a or if during the term of the contract, the Department of Taxation and Finance or the covered agency, as defined by Tax Law 5-a, discovers that the certification, made under penalty of perjury, is false, then such failure to file or false certification shall be a material breach of this contract and this contract may be terminated, by providing written notification to the Contractor in accordance with the terms of the agreement, if the covered agency determines that such action is in the best interest of the State.

26. IRAN DIVESTMENT ACT. By entering into this Agreement, Contractor certifies in accordance with State Finance Law §165-a that it is not on the "Entities Determined to be Non-Responsive Bidders/Offerors

pursuant to the New York State Iran Divestment Act of 2012" ("Prohibited Entities List") posted at:
<http://www.ogs.ny.gov/about/regs/docs/ListofEntities.pdf>

Contractor further certifies that it will not utilize on this Contract any subcontractor that is identified on the Prohibited Entities List. Contractor agrees that should it seek to renew or extend this Contract, it must provide the same certification at the time the Contract is renewed or extended. Contractor also agrees that any proposed Assignee of this Contract will be required to certify that it is not on the Prohibited Entities List before the contract assignment will be approved by the State.

During the term of the Contract, should the state agency receive information that a person (as defined in State Finance Law §165-a) is in violation of the above-referenced certifications, the state agency will review such information and offer the person an opportunity to respond. If the person fails to demonstrate that it has ceased its engagement in the investment activity which is in violation of the Act within 90 days after the determination of such violation, then the state agency shall take such action as may be appropriate and provided for by law, rule, or contract, including, but not limited to, imposing sanctions, seeking compliance, recovering damages, or declaring the Contractor in default.

The state agency reserves the right to reject any bid, request for assignment, renewal or extension for an entity that appears on the Prohibited Entities List prior to the award, assignment, renewal or extension of a contract, and to pursue a responsibility review with respect to any entity that is awarded a contract and appears on the Prohibited Entities list after contract award.

7. No former officer or employee of the State who is now employed by the Firm, nor any former officer or employee of the Firm who is now employed by the State, has played a role with regard to the administration of this contract procurement in a manner that may violate section 73(8)(a) of the State Ethics Law; and
8. The Firm has not and shall not offer to any employee, member or director of the State any gift, whether in the form of money, service, loan, travel, entertainment, hospitality, thing or promise, or in any other form, under circumstances in which it could reasonably be inferred that the gift was intended to influence said employee, member or director, or could reasonably be expected to influence said employee, member or director, in the performance of the official duty of said employee, member or director or was intended as a reward for any official action on the part of said employee, member or director.

Firms responding to this RFP should note that the State recognizes that conflicts may occur in the future because a Firm may have existing or new relationships. MWBE
REQUIREMENTS
AND FORMS

**CONTRACTOR REQUIREMENTS AND PROCEDURES FOR PARTICIPATION BY
NEW YORK STATE CERTIFIED MINORITY AND WOMEN-OWNED BUSINESS
ENTERPRISES AND EQUAL EMPLOYMENT OPPORTUNITIES FOR MINORITY
GROUP MEMBERS AND WOMEN**

New York State Law: Pursuant to New York State Executive Law Article 15-A and Parts 140-145 of Title 5 of the New York Codes, Rules and Regulations DOCCS is required to promote opportunities for the maximum feasible participation of New York State-certified Minority and Women-owned Business Enterprises (“MWBEs”) and the employment of minority group members and women in the performance of DOCCS contracts.

Business Participation Opportunities for MWBEs

For purposes of this solicitation, DOCCS hereby establishes an overall goal of **0** percent for MWBE participation, **0** percent for New York State-certified Minority-owned Business Enterprise (“MBE”) participation and **0** percent for New York State-certified Women-owned Business Enterprise (“WBE”) participation (based on the current availability of MBEs and WBEs). A contractor (“Contractor”) on any contract resulting from this procurement (“Contract”) must document its good faith efforts to provide meaningful participation by MWBEs as subcontractors and suppliers in the performance of the Contract. To that end, by submitting a response to this RFP, the bidder agrees that DOCCS may withhold payment pursuant to any Contract awarded as a result of this RFP pending receipt of the required MWBE documentation. The directory of MWBEs can be viewed at: <https://ny.newnycontracts.com>. For guidance on how DOCCS will evaluate a Contractor’s “good faith efforts,” refer to 5 NYCRR § 142.8.

The bidder understands that only sums paid to MWBEs for the performance of a commercially useful function, as that term is defined in 5 NYCRR § 140.1, may be applied towards the achievement of the applicable MWBE participation goal.

The portion of a contract with an MWBE serving as a broker that shall be deemed to represent the commercially useful function performed by the MWBE shall be 25 percent of the total value of the contract.

In accordance with 5 NYCRR § 142.13, the bidder further acknowledges that if it is found to have willfully and intentionally failed to comply with the MWBE participation goals set forth in a Contract resulting from this solicitation, such finding constitutes a breach of contract and DOCCS may withhold payment as liquidated damages.

Such liquidated damages shall be calculated as an amount equaling the difference between: (1) all sums identified for payment to MWBEs had the Contractor achieved the contractual MWBE goals; and (2) all sums actually paid to MWBEs for work performed or materials supplied under the Contract.

By submitting a bid or proposal, a bidder agrees to demonstrate its good faith efforts to achieve the applicable MWBE participation goals by submitting evidence thereof through the New York State Contract System (“NYSCS”), which can be viewed at <https://ny.newnycontracts.com>, provided, however, that a bidder may arrange to provide

such evidence via a non-electronic method by contacting the designated contact(s) for this procurement. Additionally, a bidder will be required to submit the following documents and information as evidence of compliance with the foregoing:

1. An MWBE Utilization Plan with their bid or proposal. Any modifications or changes to an accepted MWBE Utilization Plan after the Contract award and during the term of the Contract must be reported on a revised MWBE Utilization Plan and submitted to DOCCS for review and approval.

DOCCS will review the submitted MWBE Utilization Plan and advise the bidder of DOCCS acceptance or issue a notice of deficiency within 30 days of receipt.

2. If a notice of deficiency is issued, the bidder will be required to respond to the notice of deficiency within seven (7) business days of receipt by submitting to DOCCS, a written remedy in response to the notice of deficiency. If the written remedy that is submitted is not timely or is found by DOCCS to be inadequate, DOCCS shall notify the bidder and direct the bidder to submit, within five (5) business days, a request for a partial or total waiver of MWBE participation goals. Failure to file the waiver form in a timely manner may be grounds for disqualification of the bid or proposal.

DOCCS may disqualify a bidder as being non-responsive under the following circumstances:

- a) If a bidder fails to submit an MWBE Utilization Plan;
- b) If a bidder fails to submit a written remedy to a notice of deficiency;
- c) If a bidder fails to submit a request for waiver; or
- d) If DOCCS determines that the bidder has failed to document good faith efforts.

The successful bidder will be required to attempt to utilize, in good faith, any MBE or WBE identified within its MWBE Utilization Plan, during the performance of the Contract. Requests for a partial or total waiver of established goal requirements made subsequent to Contract Award may be made at any time during the term of the Contract to DOCCS, but must be made no later than prior to the submission of a request for final payment on the Contract.

The successful bidder will be required to submit a quarterly M/WBE Contractor Compliance & Subcontractor Payment Report to DOCCS, by the 10th day following each end of quarter as applicable over the term of the Contract documenting the progress made toward achievement of the MWBE goals of the Contract.

Equal Employment Opportunity Requirements

By submission of a bid or proposal in response to this solicitation, the bidder agrees with all of the terms and conditions of Appendix A – Standard Clauses for All New York State Contracts including Clause 12 - Equal Employment Opportunities for Minorities and Women. The bidder is required to ensure that it and any subcontractors awarded a subcontract for the construction, demolition, replacement, major repair, renovation, planning or design of real property and improvements thereon (the "Work"), except where the Work is for the beneficial use of the bidder, undertake or continue programs to ensure that minority group members and women are afforded equal employment opportunities

without discrimination because of race, creed, color, national origin, sex, age, disability or marital status. For these purposes, equal opportunity shall apply in the areas of recruitment, employment, job assignment, promotion, upgrading, demotion, transfer, layoff, termination, and rates of pay or other forms of compensation. This requirement does not apply to: (i) work, goods, or services unrelated to the Contract; or (ii) employment outside New York State.

The bidder will be required to submit a Minority and Women-owned Business Enterprise and Equal Employment Opportunity Policy Statement to DOCCS with its bid or proposal.

If awarded a Contract, bidder shall submit a Workforce Utilization Report and shall require each of its Subcontractors to submit a Workforce Utilization Report, in such format as shall be required by DOCCS on a quarterly basis as required during the term of the Contract.

Further, pursuant to Article 15 of the Executive Law (the “Human Rights Law”), all other State and Federal statutory and constitutional non-discrimination provisions, the Contractor and sub-contractors will not discriminate against any employee or applicant for employment because of race, creed (religion), color, sex, national origin, sexual orientation, military status, age, disability, predisposing genetic characteristic, marital status or domestic violence victim status, and shall also follow the requirements of the Human Rights Law with regard to non-discrimination on the basis of prior criminal conviction and prior arrest.

Please Note: Failure to comply with the foregoing requirements may result in a finding of non-responsiveness, non-responsibility and/or a breach of the Contract, leading to the withholding of funds, suspension or termination of the Contract or such other actions or enforcement proceedings as allowed by the Contract.

C. Fees*

1. *Correction Officer and Peace Officer applicants* requiring pre-employment screening at EIU must pay the fingerprint processing fee. The \$75 fingerprint processing fee will be made via a U.S. Postal Money Order at the time the applicant is live scanned at EIU.
2. *New non-uniform (civilian) staff* will have the \$75 fingerprint processing fee taken out of their first full paycheck via payroll deduction. When these employees are fingerprinted on the first day of work, the personnel office must notify their payroll office that a fingerprint deduction (per OSC payroll Bulletin #231) needs to be processed. If a non-uniformed civilian staff employee separates from service before they receive a full check, the facility **MUST** obtain the fingerprint fee from any money the employee is due. It is the responsibility of the facility to obtain the fingerprint fee from the employee. Failure to obtain the fingerprint fee will result in the facility making payment from the facility funds to make the fingerprint fee account whole.
3. *Per Diem Employees and Physicians* must pay the fingerprint processing fee. The \$75 fingerprint processing fee will be made via a U.S. Postal Money Order which should accompany the fingerprints when they are forwarded to the EIU.
4. *Extra Service Employees* that are not permanent Department employees assigned to the Department's facilities, Community Supervision offices, or to Central Office will have the fingerprint processing fee paid via JV by the facility/office submitting the fingerprints.
5. *Outside Agency Employees* assigned to the Department's facilities, Community Supervision offices, or to Central Office will have the fingerprint processing fee paid via JV by the facility/office submitting the fingerprints.
6. *Contract Service Providers* assigned to the Department's facilities, Community Supervision offices, or to Central Office will have the fingerprint processing fee paid via JV by the facility/office submitting the fingerprints.

*See the summary Processing Chart, Attachment A.

- D. **Audits:** Periodic audits of all facilities will be conducted by EIU for compliance of fingerprint submission and collection of fees. Where it has been found that an employee has left service before the fee was collected, in accordance with the procedures of this directive, EIU will notify the facility (DSA and Steward) and the Director of Budget and Finance of the person that left owing fingerprint fees and how much. The Central Office Division of Budget and Finance will contact the facility to process their end of the JV and forward it to Central Office for processing to move the money into the fingerprint fee account.
- E. If suspect information on matters with potential terrorism connections is returned during any inquiry, it shall be forwarded to the local joint terrorism task force or similar agency.

- I. **PURPOSE:** This directive establishes Department of Corrections and Community Supervision (DOCCS) policies and procedures for the administration and supervision of the Volunteer Services Program.
- II. **PROGRAM GOALS:** The Volunteer Services Program is designed to promote the involvement of responsible community persons in the continuum of services and programs made available to the incarcerated inmate and his or her family.
- III. **PROGRAM ADMINISTRATION AND SUPERVISION**
 - A. The Director of Ministerial, Family and Volunteer Services is responsible for the administration of the Statewide Volunteer Services Program.
 - B. The Assistant Director of Family and Volunteer Services reports to the Director of Ministerial, Family and Volunteer Services, and is responsible for the day to day administration of Volunteer Services. The Assistant Director supervises the Regional Coordinators of Correctional Volunteers (RCCV).
 - C. RCCVs provide policy direction and serve as the liaison between Central Office and facility staff. They are program consultants to the Deputy Superintendents for Program Services (DSP) and Supervisors of Correctional Facility Volunteer Services (SCFVS), facility staff and community groups and organizations. They are also responsible for the review of Volunteer Services purchase requests and for monitoring the Volunteer Services Program in their regions.
 - D. Facility Superintendents must review each new request for a volunteer, volunteer group, or volunteer program.
 - E. DSPs are responsible for the overall management of their facility's Volunteer Services Program and the activity of the individual assigned as the Volunteer Services Contact Person (VSCP), as well as the Program Staff Supervisors who supervise volunteer programs. They assist the SCFVS in identifying volunteer services needs and assure that all required volunteer services reports are submitted in a timely manner. With the SCFVS, they review all applicants with previous convictions and ensure that all volunteers are properly registered. The DSPs are also responsible for maintaining a complete list of active volunteers and volunteer programs at their facility.

Note: The DSP at a facility where a SCFVS is based is responsible for the day to day supervision of that SCFVS, together with the RCCV, as well as ensuring that the SCFVS provides adequate, scheduled service to their assigned facilities.

- F. The SCFVS, under the direction of a RCCV and a DSP, recruits and orients community persons and staff to work as volunteers in a correctional setting. They are also responsible for the completion of the annual "Volunteer Program Evaluations" (Form #MFVS3085; reference Program Services Manual), at each of their assigned facilities and promoting effective relations between volunteers and staff. They are responsible for training and support of the facility VSCP. They may assist in community/public relations if so designated by their Superintendent.
- G. The VSCP, appointed by the Superintendent, will be responsible for the coordination of the Volunteer Services Program at each facility. Tasks will include, but not necessarily be limited to: the maintenance, care and security of volunteer files, the processing of applications, the preparation of Volunteer Services gate clearances, and statistical gathering for monthly reports that will need to be reviewed and approved by the DSP. For purposes of supervision, they will report to the DSP and a SCFVS. Their annual performance evaluation should reflect their additional duties as the facility VSCP, with input provided by the SCFVS.
- H. Volunteer Staff Supervisors are responsible for conducting screening interviews using the "Report of Interview of Volunteer Applicant" (Form #MFVS3082; reference Program Services Manual), with potential volunteers who apply to provide a service in their respective program area. They are also responsible for the training and direct supervision of these volunteers and for providing annual volunteer reviews, using the "Volunteer Feedback & Assessment" (Form #MFVS3086; reference Program Services Manual), to the SCFVS for all of their volunteers who provide a service to the facility on a regular basis. This individual should not supervise more than 40 volunteers.

IV. TYPES OF VOLUNTEERS

- A. Volunteer: A volunteer is a person who is authorized to provide a service to the Department or its inmates without compensation from any source. A volunteer is required to comply with the rules, regulations, and guidelines required of Department employees and its volunteers. The Department makes no representations to volunteers about the applicability of either Workers' Compensation benefits or representation and indemnification under the Public Officers Law. Inquiries should be directed to either the Workers' Compensation Board Bureau of Compliance or to the Office of the Attorney General. A volunteer is subject to all of the policies and procedures as referenced in Section IX of this directive and in the "STANDARDS OF CONDUCT FOR VOLUNTEERS WITHIN THE NEW YORK STATE DEPARTMENT OF CORRECTIONS AND COMMUNITY SUPERVISION," Form #4750C. Volunteers are expected to support the Departmental Mission and are not to portray the Department in a negative fashion.
 - 1. Paid Professional: This category of volunteer often represents his or her employer and provides a service to the Department. These individuals, though paid by the employer to provide the service, are defined as volunteers and registration, orientation, and TB testing requirements are the same as for regular volunteers. Volunteers providing professional services will be required to provide documentation that they are certified, licensed, and/or otherwise qualified to provide the service for which they are applying.

2. **Department Personnel:** Department personnel may provide a volunteer service if that service is clearly different from their paid work assignment and it has been approved by the Superintendent and the DSP at the facility where the employee works. Note: Ex-employees who have been terminated, or who have resigned rather than face dismissal, will not be allowed to volunteer.
3. **Foreign National:** A foreign national will be considered for volunteer programs provided they can produce valid identification and documentation that they are in this country legally.
4. **Religious Volunteer and Spiritual Advisor:** All volunteers requesting involvement in religious programs must be reviewed and approved by the Coordinating Chaplain and appropriate Chaplain of the faith group involved, if one is assigned to the facility. As outlined in Section III-H, the appropriate Chaplain must also conduct a screening interview of the prospective volunteer, and document this interview which will be placed in the volunteer's file. If the volunteer represents a religious organization from the community, but is to be assigned to a non-religious assignment, approval by the facility Coordinating Chaplain and appropriate Chaplain of the faith group is not required. Volunteers representing religious organizations must be advised not to proselytize (attempt to persuade someone to convert to one's faith) among inmates.

A Spiritual Advisor is an individual who, with the written endorsement of a bona fide ecclesiastical body, has been identified as a religious volunteer capable of providing spiritual advice and direction to inmates of that particular faith group on an individual basis.

Spiritual Advisors who have obtained volunteer status approval from the Department must request an exemption from the prohibition concerning visitation, correspondence, and phone calls from inmates as outlined in Section IV-C-4-b of this directive. In addition, the following procedures must be followed:

- a. Provide documentation to the Coordinating Chaplain stating that a pastoral relationship with the inmate(s) existed prior to incarceration.
- b. Provide written endorsement from a bona fide ecclesiastical body identifying the volunteer as a cleric or lay person who can function in this capacity.
- c. Provide to the Coordinating Chaplain a written description of the volunteer's activities in the role of Spiritual Advisor, including a list of the names of inmates who will meet with the volunteer. This description must be reviewed by the Chaplain in charge of the faith group involved.

It shall be the responsibility of the Coordinating Chaplain to obtain these documents prior to commencement of an inmate-Spiritual Advisor relationship and maintain said documents for the duration of said service.

5. **Persons with Criminal History:** Volunteer applicants with an arrest and/or conviction history shall not be automatically disqualified to serve. Each applicant shall be evaluated on a case-by-case basis. As a rule, the following will apply:
 - a. Prospective volunteers with unclear arrest dispositions, active warrants, detainers, or Orders of Protection that are found through their criminal history check may be excluded from volunteering until such incidents are resolved.

- b. A formerly-incarcerated-person or parolee may be considered for a volunteer assignment in a facility one year following his or her release from incarceration.
 - c. A formerly-incarcerated-person shall not be considered as a volunteer if he or she was prosecuted and found guilty of assault of correctional staff, aggravated harassment of an employee, attempted escape from a correctional facility, promoting or possessing prison contraband, hostage incident or rioting.
 - d. A formerly-incarcerated-person's record of institutional adjustment and, if applicable, adjustment to probation or parole supervision, will be evaluated and considered prior to approval. Disciplinary sanctions similar to behavior actions listed in Section IV-A-5-c, or in addition, being found guilty of behavior such as: assault on inmates, gang-related behavior, mass demonstration or radicalization of other inmates, sexual misconduct, etc., may exclude an individual from consideration.
 - e. During the period after release, the formerly-incarcerated-person shall have demonstrated involvement in community activities related to the area in which he or she wishes to serve as a volunteer. The person will also be required to show a positive adjustment to community life by providing employment history and a recommendation by his or her Probation/Parole Officer, if applicable.
A review by the SCFVS and the facility DSP will be conducted on all formerly-incarcerated-persons, parolees, probationers, and persons with warrants, detainers, Orders of Protection, and open arrests who apply as volunteers. Final approval will rest with the facility Superintendent. Exception to this policy will be given consideration only when substantial, written justification is submitted to the Superintendent or designee.
6. One-Time Volunteer: Individuals, who provide a service for special one-time activities, including inmate organization events, family day events, sports activities, theatrical performances, graduations, etc., are to be registered as One-Time (One-Time refers to only one time in any NYS DOCCS facility) Volunteers. (See Form #4750B, "Volunteer Registration Process Chart," for requirements.) Form #MFVS3080A, "Application for Volunteer Status-One-Time Volunteer," must be utilized for one-time only volunteers.
7. Occasional Volunteer: Individuals who provide services periodically (6 times or less per year in a combination of facilities) for Choir/Theatrical Performances, Sports Teams, Resource Fairs, and one-day attendance (8 hours or less) at Religious Events. (See Form #4750B, "Volunteer Registration Process Chart," for requirements.) Approvals for other groups may be obtained by contacting the appropriate RCCV.

- B. Volunteer Groups: Individuals who enter a facility as part of a community group must individually complete the registration process, unless verification is received that the individual has been registered at another DOCCS facility within the past 12 months. In addition, new community groups will be required to complete the "Community Group Registration Form" (Form #MFVS3083; reference Program Services Manual). References, utilizing the "Volunteer Services Program Community Group Reference Form" (Form #MFVS3084; reference Program Services Manual), should be sent to the references provided.
1. All volunteer groups or organizations must have a Key Volunteer or Program Director, who acts as the designated contact and the name of this person will be provided to the SCFVS.
 2. The Key Volunteer or Program Director shall assist staff in the screening and selection of volunteers who will provide services under the organization's auspices by completing a letter of endorsement for each new volunteer. This letter is to be done on the agency's letterhead and should follow the format provided on Form #4750A, "Community Group/Agency Endorsement Letter." The Superintendent or designee shall have final approval for all volunteers.
 3. Any literature or other materials sponsored by the group or organization must be approved in advance by the DSP or designee before distribution to inmates. Material approvals will be subject to a determination of appropriateness. Once the DSP has approved the materials, they should be placed on the gate clearance.
 4. Some community groups celebrate special events with food and beverage, however, in the correctional setting volunteers and staff are prohibited from bringing in food and beverage items. On occasion, the DSP will review and approve a request for a special event (i.e., Kairos Retreat, Residents Encounter Christ (REC), Family Works Graduations) and if approved, items will be ordered from the Statewide menu.
- C. Volunteer Requirements
1. Under normal circumstance, the minimum age for a volunteer is 21.
 - a. Exceptions can be made with special approval from the Superintendent for persons ages 17-20 for special one-time programs, or for participants in internship programs or youth employment programs. With regard to internships, all colleges must provide internship paperwork and description of activities.
 - b. Volunteers who are 17 or 18 years of age must provide written permission from their parent or legal guardian.
 - c. If approved, volunteers under the age of 21 must be under direct supervision of DOCCS staff at all times while inside the facility.
 2. All volunteers providing professional services will require additional screening to ensure that they are certified, licensed, and/or otherwise qualified to provide such services.

3. A volunteer may be turned away from the facility if their manner of dress or appearance causes security or other pertinent concerns. If turned away for one's dress or appearance, this action should be documented for inclusion in the volunteer's file. Regarding grooming, a male volunteer shall not be subject to the same restrictions on hair length or beards as Department employees.
4. Restrictions: During orientation, volunteers must be cautioned regarding the seriousness of personal/emotional involvement with inmates. This will include visiting, corresponding, and accepting phone calls. In order to avoid any misunderstanding, the following guidelines must be strictly observed:

- a. Volunteers are prohibited from having any sexual contact or engaging in any sexual conduct with an inmate. The New York State Department of Corrections and Community Supervision has a zero tolerance for sexual abuse. It is a crime for any employee to engage in sexual conduct or sexual contact with an inmate. For purposes of Penal Law section 130.05, an employee also includes any person providing direct services to inmates in a State correctional facility pursuant to a contractual arrangement with the Department or, in the case of a volunteer, a written agreement with the Department.

All volunteer applicants will read the most updated version of the Policy on the Prevention of Sexual Abuse of Inmates. All volunteers are to be provided with training and the current Directives #4027A, "Sexual Abuse Prevention and Intervention - Inmate-on-Inmate," and #4028A, "Sexual Abuse Prevention and Intervention - Staff-on-Inmate." All volunteer applicants must acknowledge receipt in writing that they will be held accountable for and act in accordance with the policy and the law. All volunteer applicants must acknowledge that they understand the Department's zero-tolerance policy regarding sexual abuse and sexual harassment and how to report such incidents under DOCCS sexual abuse and sexual harassment prevention, detection, and response policies and procedures.

- b. Volunteers are prohibited from corresponding, visiting, or accepting telephone calls from inmates at any DOCCS facility unless they receive permission. If a volunteer wishes to seek approval, the volunteer must submit the request and rationale, in writing, to the Superintendent at the facility where he or she is a volunteer. The Superintendent is authorized to deny such requests. The denial should be sent, in writing, to the volunteer and a copy sent to the Director of Ministerial, Family and Volunteer Services. If the Superintendent supports the request, it should be forwarded to the Director of Ministerial, Family and Volunteer Services for recommendation, after which it will be forwarded to the Deputy Commissioner for Program Services for final determination. Prospective volunteers should be asked to disclose whether or not they have any close friends or family members who are incarcerated within the State correctional system at the time of their application/screening.

- c. Exceptions: Volunteers may accept collect phone calls at their agency/group administrative office if they have prior authorization from the Deputy Commissioner for Program Services and if the organization's policy is to accept collect phone calls from inmates. Volunteers may not accept phone calls at their place of residence. At all times, the nature of the calls must be directly related to areas of service provided by the volunteer agency/group for the Department. The volunteer agency/group authorization must be so noted in the appropriate program description file. Volunteers are to be advised that all inmate telephone conversations are subject to electronic monitoring by Department personnel (see Directive #4423, "Inmate Telephone Calls").
- d. Volunteers are required to notify the SCFVS if they know and/or recognize any inmate incarcerated at any NYS DOCCS facilities.

V. PROCEDURES

- A. Volunteer Program Development: Prior to a new volunteer program being initiated or changed at any facility, it must have the proper approvals as outlined in the Program Services Manual.

- B. Job Descriptions: A volunteer job description is to be developed before the volunteer begins work. The job description must be developed by the appropriate Staff Supervisor, and should include the following:

- 1. A general description of the duties that the volunteer will perform;
- 2. Meaningful, appropriate, and measurable work activities;
- 3. Location of the activity and frequency;
- 4. Name of Staff Supervisor; and
- 5. Name of the program's Key Volunteer.

Volunteer job descriptions shall be signed and agreed to by the volunteer and the Staff Supervisor and a signed copy of the job description shall be on file in the Volunteer Services Office. Volunteers may only serve in the job as described in the file description. Any volunteer who wishes to serve in another job must be approved as described above.

- C. Registration Procedures: Depending on the level of volunteer services provided, the volunteer applicant will complete a registration process that may consist of a volunteer application, Standards of Conduct, a Criminal History Check, fingerprinting, references, a screening interview, TB test, and ID card. Refer to the "Volunteer Registration Process Chart" which defines the registration procedures required for the level of volunteer activity.

- 1. Application for Volunteer Status

- a. All volunteer applicants will complete Form #MFVS3080, "Application for Volunteer Status," Part I, "Volunteer Information," and if applicable, Part II, "Criminal History" (see exceptions for government employees with Peace or Police Officer Status on the "Volunteer Registration Process Chart"). Volunteers providing professional services should also attach documentation verifying that they are certified or qualified to do so.

Note: If an applicant indicates that they have charges currently pending, the application process should be suspended until such time as a disposition of the charges is reached.

Section I and II of Form #MFVS3080, along with a copy of the volunteer's Government issued photo identification, should then be scanned into PDF format, attached to an e-mail, and sent to EIU@DOCCS.NY.GOV. and copied to VOL@DOCCS.NY.GOV. Only one (1) e-mail and one (1) PDF file should be created per volunteer. The name of the PDF and the subject of the e-mail should be structured using the last name, first name – facility name format (e.g., Doe, John – Sing Sing Correctional Facility).

- b. All volunteer applicants will be required to show a government agency issued ID at the time of application.
 - c. Part III, "Facility Executive Review," of Form #MFVS3080 will be completed by staff and approvals obtained from the Superintendent, DSP, and Deputy Superintendent for Security (DSS) prior to the volunteer beginning their service.
 - d. Part IV, "Acknowledgement of Orientation," of Form #MFVS3080 will be reviewed for completeness, acknowledged, and signed by the volunteer and SCFVS who conducted the volunteer orientation.
2. Screening Interview: Upon receipt of a volunteer application, prospective volunteers who wish to serve on more than an occasional basis will be screened through an interview process by the appropriate Staff Supervisor. The "Report of Interview of Volunteer Applicant" (Form #MFVS3082; reference Program Services Manual) will be used as a guide and will be completed during the interview and a copy shall be placed in the volunteer's file as a reference in approving or disapproving the prospective volunteer's application.
3. Criminal History
 - a. A criminal history check will be completed by the Department's Employee Investigation Unit (EIU) on volunteer applicants, including regular on-going, occasional, and one-time volunteers. (See exceptions on the "Volunteer Registration Process Chart.") This process will begin when EIU receives Part I and II of the "Application for Volunteer Status."
 - b. For regular on-going volunteers, fingerprints will be taken by the facility ID Officer. The ID Officer shall verify the identity of the person being fingerprinted, enter all pertinent data following the instructions on the cards, take the prints using the "rolled impression" method in the numbered print blocks and the "plain impression" method in the lower row of blocks, secure the signature of the person being fingerprinted, and then sign as the official taking fingerprints. Two of the following fingerprint cards shall be utilized:

- (1) DCJS-4, "Non-Criminal" fingerprint card utilizing the Central Office ORI Box 20, "Contributor," should read:

700168R
N.Y.S. DOCCS
Personnel Office
Albany, NY 12226-2050

The completed fingerprint cards will then be forwarded to the EIU for processing. If fingerprints are rejected for any reason the SCFVS will be notified.

- c. Applicants for regular ongoing status with derogatory information reported on the EIU Criminal History Check must wait for the return of their fingerprint report and Superintendent's approval before beginning their volunteer service. Those persons with no derogatory information may begin their volunteer assignment before their fingerprint report is returned.

One-time and occasional applicants with derogatory information will not require fingerprints. EIU checks must be updated on an annual basis.

Note: If the criminal history and/or fingerprint reports show a discrepancy in what the volunteer has disclosed, this may result in the volunteer's non-approval, suspension, and/or termination.

- d. EIU must receive the completed fingerprint card within 30 days of conducting a Criminal History Check. If the fingerprint card is not received within this timeframe, EIU will notify the Director of Ministerial, Family and Volunteer Services on a monthly basis and volunteer assignments will be suspended until the fingerprint card is received.

4. Health Services Screening/Vaccinations

- a. TB Testing: Facilities must strictly adhere to the Department's Division of Health Services' guidelines for TB testing for volunteers, as follows:
- (1) Any volunteer who will be in any one facility once per month or more, and/or have 8 hours or more of continuous inmate/staff contact, must be skin tested.
 - (2) Any volunteer who wishes to be skin tested may be tested.
 - (3) Arrangements for skin testing of volunteers will be made through the facility medical department and/or the facility Volunteer Services Contact Person.
 - (4) Volunteers may be tested by their own physicians, if they desire, just as employees may, according to Directive #4322, "Tuberculosis Control Program."
- b. Hepatitis B Vaccine: Anyone who would have reasonable likelihood of exposure to blood or body fluids would be eligible for the vaccine. All persons receiving the vaccine must have training for Bloodborne Pathogens through the facility where they are volunteering before starting the vaccine series of three injections.

5. All volunteer gate clearances should be submitted in a timely manner to allow sufficient time for the DSP or the VSCP to verify that the individuals are properly registered volunteers.
6. Emergency contact information for each volunteer shall be kept on file in the Watch Commander's Office.

D. Volunteer Orientation

1. If approved, the regular on-going volunteer will be scheduled to attend a volunteer orientation, conducted by the facility SCFVS and a member of the security staff. This orientation should cover the volunteer Standards of Conduct, applicable policies, benefits for volunteers, security issues, health-related issues, and facility-specific information, prior to the beginning of the volunteer activity. For occasional, one-time, or government agency volunteers who have Peace or Police Officer status, the orientation will be appropriate to the level of services provided. Facilities will ensure that all regular on-going volunteers participate in a refresher orientation every 24 months.

E. Training

1. Job-specific training for the volunteer activity will be given by the volunteer's Staff Supervisor and may or may not include a tour of the facility grounds.
2. Volunteers will be required to attend periodic in-service training consistent with their level of inmate contact. Those identified by the SCFVS as providing services more than 9 hours per week will be required to attend trainings offered by the Department. Specific training requirements will be determined by the Director of Ministerial, Family and Volunteer Services after consultation with the Director of the Training Academy. Please see Form #4750D, "Required Training for Various Categories of Volunteers."
3. All non-Departmental and contracted employees that are assigned to work within DOCCS facilities must adhere to the guidelines outlined in the NYS DOCCS Training Manual Subject 7.150. This policy requires that contracted volunteers complete a standardized 16 hour orientation prior to beginning their service. This orientation is in addition to the volunteer orientation provided by the SCFVS.

VI. **PROGRAM MONITORING AND EVALUATION**

- A. Supervising, monitoring, evaluating, and reporting on volunteers and volunteer programs is a joint effort among Staff Supervisors, the facility VSCPS, and the SCFVS, with oversight provided by the DSP and the RCCV.
1. The DSP, with final approval of the Superintendent, will determine the Staff Supervisor for a program.
 2. Annual volunteer reviews are the responsibility of the Staff Supervisor. The Volunteer Feedback and Assessment form is to be utilized for this review.

3. Program Proposals will be sent to the appropriate Central Office Division Director, by the Superintendent or designee, for each new program. A current program approval binder that includes up-to-date Program Proposals, a current list of volunteers, and the names of the Key Volunteers and Staff Supervisors will be kept at each facility by the DSP. The SCFVS will assist the DSP in maintaining this binder.
 4. Annual Program Evaluations using the "Volunteer Services Program Evaluation," (Form #MFVS3085, reference Program Services Manual), will be completed by the facility SCFVS with copies sent to the facility DSP and RCCV.
- B. Staff must be aware of their responsibility to supervise volunteers and the programs that are assigned/accepted in their area and that they must provide the facility Office of Volunteer Services with statistical data on volunteers involved in the program/service.
 - C. The decision regarding which facility staff person will have responsibility for supervising a volunteer or volunteer program rests with the facility Superintendent or designee.
 - D. During periods of facility emergencies, volunteer activity may be suspended or limited. It will be the responsibility of the DSP to ensure that volunteers are notified in a timely manner of any change in the program schedule to avoid any unnecessary travel of the volunteers.
 - E. The annual review of volunteers is the responsibility of the Staff Supervisor and a copy of all reviews should be included in the volunteer's file. The primary goal of the review is to receive feedback from the volunteer on any changes that may be needed to improve the program, to discuss any concerns with the volunteer, and to show support of their program and its goals. The Volunteer Feedback and Assessment form is to be utilized for this purpose.
 - F. To ensure that Volunteer Services programs meet the needs of the inmates and facilities, each Program will be evaluated on an annual basis by the facility SCFVS, utilizing the "Volunteer Services Program Evaluation" (Form #MFVS3085). A copy of this evaluation should be made available to the facility DSP and to the RCCV.
- VII. STATUS OF VOLUNTEERS:** Volunteers should be made to feel that they are a part of the facility staff and should be treated with courtesy and respect. Any allegations of the mistreatment of volunteers should be reported immediately through the appropriate channels. Staff encouragement and acceptance of volunteers will help to keep the volunteers motivated, productive, and will nurture a teamwork mentality. Vital to any volunteer program is the recognition of the contribution, achievements, and the status of the volunteer as a quasi staff person.
- As set forth in Section IV, above, the Department recognizes and registers different types of volunteers. A volunteer who provides service to the Department without receiving compensation from any source is, by law, entitled to the benefits set forth in Sections A-1 and A-2 below. All volunteers are treated the same with respect to Section A-3. Those registered as volunteers who receive compensation for their service from some source should direct inquiries regarding Workers' Compensation Law benefits to the Workers' Compensation Board, Bureau of Compliance, and inquiries concerning defense and indemnification to the Office of the Attorney General.

A. Insurance Coverage/Indemnification**1. Workers' Compensation for Volunteers.**

- a. All volunteers who are registered, oriented, screened for TB, and approved as a volunteer by the facility Superintendent are covered for injuries related to their volunteer work by Workers' Compensation Benefits. Staff supervising volunteers must report injuries to volunteers in accordance with Directive #4065, "Reporting Injuries and Occupational Illnesses," and Directive #2208B, "Workers' Compensation Benefits (Non-Uniformed Employees)."
- b. It should be noted that a volunteer who has been fully registered and approved is eligible for Workers' Compensation, whether the service is performed in the community or in a correctional facility. Contract volunteers who receive an hourly rate for their work will be covered by the contract agency. The job description must indicate area of service.

2. Indemnification Coverage for Volunteers

- a. Corrections and Community Supervision volunteers have been afforded protection from financial loss arising out of a civil action.
- b. The law provides that the State would save harmless and indemnify volunteers of the Department from financial loss arising out of a judgment in any civil action by reason of a claim of alleged negligence or other act of such person participating in a volunteer services program, provided that the damages were sustained while such person was acting in the discharge of his or her duties and within the scope of such duties, and the claim did not result from the willful and wrongful act or gross negligence of such person.
- c. The law applies to volunteers authorized to participate in a Volunteer Services Program, provided such volunteer gives notice of such claim upon himself/herself within five days of service of such claim upon himself/herself (Section 17 of the Public Officers Law). Individuals who have insurance policies that would cover them for claims arising pursuant to the volunteer programs must first use such policies before the State will defend and/or indemnify them.

3. Diversity Management: All volunteers who are registered and approved are afforded equal opportunity protection in accordance with Directive #2601, "Equal Employment Opportunity & Affirmative Action Program," based on NYS Executive Order No. 6.**B. Volunteer and Staff Supervisor Recognition: Certificates of Appreciation will be awarded to volunteers at an annual recognition ceremony, or at some other suitable occasion. Volunteer Staff Supervisors will also be recognized because their work with volunteers often exceeds their normal full-time duties. Employee evaluations shall reflect this extra effort.**

- C. Meals: Volunteers who provide service in a facility and whose volunteer assignment extends over an established meal period or is a minimum of 4 hours of continuous service may be furnished a meal from the facility Mess Hall. The free meal shall be the same as that provided to the inmate population. Volunteers, with permission from the Superintendent or designee, may be allowed to bring food (i.e., dietary needs/restrictions) for their own consumption.

VIII. VOLUNTEER MISCONDUCT

- A. During volunteer orientation, volunteers must be informed that a formal suspension/dismissal procedure exists and what constitutes grounds for suspension and/or dismissal. Grounds for suspension/dismissal of volunteers are usually based on a violation of volunteer Standards of Conduct and the nature of such a violation.

For other instances of misconduct, volunteers will receive counseling by the SCFVS. This counseling session/meeting will be documented by the SCFVS, signed by all parties present, and a copy placed in the volunteer's file. This documentation should include all pertinent information regarding the matter, and should also include information relative to the outcome of the meeting. A copy of this information shall be forwarded to the appropriate RCCV.

If suspension/dismissal is necessary, the process to be used is set forth below. It is mandatory that proper documentation be available if dismissal is contemplated.

B. Procedure for Suspension/Dismissal

1. Should anyone have a sound reason to question a volunteer's actions, the witnessing party shall report, in writing, all relevant information to the facility SCFVS. A written report will be prepared by the SCFVS and submitted to the facility Superintendent or designee for review and action. Such action may consist of limiting, postponing, or suspending the services of the volunteer. The SCFVS will be consulted during this review.
2. A determination may be made by the facility Superintendent and/or the Director of Ministerial, Family and Volunteer Services to consult and/or include the Department's Office of Special Investigations depending on the nature of the violation.
3. A volunteer who has been suspended must be notified in writing by the facility Superintendent within 5 days. This letter must inform the volunteer of the allegations, the date of the temporary suspension, and that volunteer activity in all facilities has been suspended pending an investigation. If the volunteer is scheduled to volunteer during the week of the suspension, the SCFVS must call the volunteer to notify them of the suspension, so as to avoid the volunteer arriving at the facility.
4. A copy of the suspension letter, as well as documentation regarding the violation, and a copy of the volunteer's file will be forwarded to the appropriate RCCV who will review the contents for completeness and will then review the case with the Assistant Director of Family and Volunteer Services.

5. The RCCV will discuss the case with the facility Superintendent, who must approve of the final disposition. If there is not a consensus on the final disposition, the Superintendent will consult with the Supervising Superintendent and the Director of Ministerial, Family and Volunteer Services.
6. If the severity of the volunteer's violation warrants Statewide termination, the RCCV will recommend to the Assistant Director that the volunteer's activity in all DOCCS facilities be terminated. Final decision rests with the Deputy Commissioner for Program Services.
7. The volunteer must receive written notification of the decision directly from the RCCV. Copies of all relevant paperwork must be forwarded to the Office of Ministerial, Family and Volunteer Services in Albany.
8. The letter must state that the volunteer may appeal, in writing, to the Deputy Commissioner for Program Services within 30 days of receipt of the letter. The Deputy Commissioner for Program Services will then issue a final determination to the volunteer within 30 days of receipt of the appeal.

IX. VOLUNTEER STANDARDS OF CONDUCT AND APPLICABLE POLICIES: Volunteer Standards of Conduct are subject to change by the Deputy Commissioner for Program Services. It will be the facility's responsibility to ensure that all active volunteers have been oriented to the new standards, and to help ensure that they are followed.

- A. Standards of Conduct and Applicable Policies: The "Standards of Conduct for Volunteers" and applicable policies will be used by all facilities. Standards guidelines, and policies must be given as part of the orientation of all volunteers and will be presented by staff in a positive manner. All standards should be explained and clarified so that the volunteer will understand what constitutes good security practices relative to contraband and appropriate type of behavior.
- B. Documentation: The volunteer will acknowledge, in writing, that he or she has in fact been presented with the following standards and policies, understands them, and intends to comply. Written documentation that the volunteer has received the most current copy must be maintained in the volunteer's file.
 1. Standards of Conduct for Volunteers
 2. Policy on the Prevention of Sexual Abuse of Inmates and copies of Directives #4027A and #4028A
 3. Policy Statement on Sexual Harassment in the Workplace
 4. Non-discrimination in Employment Based on Sexual Orientation and Gender Identity
 5. Writing Letters of Recommendation for Inmates
 6. Language Access
 7. Suicide Prevention Memorandum

B. Assessment and Classification

1. Reception: An initial assessment will be conducted of all inmates arriving at a Reception Center.
 - a. This assessment is intended to identify a number of classification concerns including a determination of an inmate's risk of being sexually abused by other inmates or sexually abusive toward other inmates. Inmates identified as being at high risk of sexual victimization or of being sexually abusive will be identified, such concerns shall be noted upon the inmate's security classification in accordance with the "Manual for Security Classification Guidelines," and appropriate measures will be taken to ensure that they are monitored.

 - a. Upon arrival, each inmate will be screened using PREA Risk Screening Form #115.41M or Form #115.41F for any indication of current risk of being sexually abused by other inmates or sexually abusive toward other inmates.
 - b. Such screening shall be conducted pursuant to facility-specific procedures adopted in accordance with the Facility Operations Manual (FOM) Template implemented by the Associate Commissioner for Prison Rape Elimination Act (PREA) Compliance.

- C. Reporting and Investigation of Inmate-on-Inmate Sexual Abuse, Sexual Harassment, or Sexual Threats:** An inmate or parolee may report an incident of sexual abuse, sexual harassment, sexual threats, or any act of retaliation for reporting such an incident or for participating in an investigation of such an allegation to any employee. The initial inmate or parolee report may be verbal or in writing. For reporting purposes under this Directive, "employee" includes any employee, contractor or contract employee, volunteer, or intern of the Department, or any employee, contractor or contract employee assigned to work in a Department correctional facility by any other State agency.

1. An employee who receives a report that an inmate or parolee, is the victim of an incident of sexual abuse, sexual harassment, or sexual threats must be aware of the sensitive nature of the situation. The victim must be treated with due consideration for the effects of sexual abuse and sexual harassment.

A report made in good faith based upon a reasonable belief that the alleged conduct did occur does not constitute falsely reporting an incident or lying for the purpose of disciplinary action even if investigation does not establish evidence sufficient to substantiate the allegation.

D. Discipline and Prosecution

1. Whenever an employee ascertains facts that an inmate perpetrated an act of inmate-on-inmate sexual abuse, it is the Department's policy to report such incidents on Form #2171, "Inmate Misbehavior Report," and to seek discipline of the aggressor in accordance with the standards of behavior. Furthermore, whenever investigation substantiates an allegation of inmate-on-inmate sexual abuse, the matter shall be referred to the appropriate law enforcement agency and/or prosecutor, through the Department's Office of Special Investigations, for consideration of criminal charges against the aggressor.
2. Whenever an employee ascertains facts that an inmate engaged in sexual harassment or made a sexual threat, it is the Department's policy to report such incidents on Form #2171, "Inmate Misbehavior Report," and to seek discipline of the aggressor in accordance with the standards of behavior.
3. A victim of sexual abuse, including an inmate or parolee who engages in a sexual act as a result of threats, intimidation, or other coercive actions, is not subject to discipline absent proof of false reporting following a full investigation of the incident and after consultation with the Department's Office of Special Investigations.

V. STAFF DUTY TO REPORT

The employee shall immediately notify his or her supervisor pursuant to Section IV above. The initial inmate or parolee report may be verbal or in writing.

I. DESCRIPTION: This Directive provides information concerning:

- The prevention of **staff-on-inmate/staff-on-parolee** sexual abuse, sexual harassment, sexual threats, and staff voyeurism;
- The prevention of, detection of, and response to allegations of **staff-on-inmate/staff-on-parolee** sexual abuse, sexual harassment, sexual threats, and staff voyeurism, including prompt and effective intervention to address the safety and treatment needs of an inmate victim of sexual abuse or sexual harassment;
- The duty of all staff to report any allegation of sexual abuse or sexual harassment of an inmate, and to report any actual knowledge or reasonable belief concerning any incident of sexual abuse, sexual harassment, or the existence of an inappropriate relationship between a staff member and an inmate;
- The duty of staff to report any allegation of retaliation for reporting an incident of sexual abuse or sexual harassment, or participating in an investigation of an incident of sexual abuse or sexual harassment;
- The prevention of, detection of, and response to allegations of retaliation for reporting an incident of sexual abuse or sexual harassment, or participating in an investigation of an incident of sexual abuse or sexual harassment; and
- The discipline and/or prosecution of those who commit such acts of sexual abuse, sexual harassment, sexual threats, staff voyeurism, or retaliation.

II. POLICY: The New York State Department of Corrections and Community Supervision has zero tolerance for sexual abuse and sexual harassment. Inmates and parolees have the right to be free from sexual abuse and sexual harassment. Sexual abuse and sexual harassment violate Department rules and threaten security. All allegations of sexual abuse, sexual harassment, or retaliation against staff, an inmate, or a parolee for reporting such an incident or participating in an investigation will be thoroughly investigated. Furthermore, any perpetrator of a sexual abuse or sexual harassment incident will be dealt with severely through discipline or prosecution to the fullest extent permitted by law.

It is the policy of the Department that staff-on-inmate/staff-on-parolee sexual conduct is sexual abuse and is not to be tolerated. Every incident of staff sexual conduct with an inmate or parolee presents a threat to the security of the facility and the Department. All allegations of sexual abuse, sexual harassment, sexual threats, staff voyeurism, or retaliation concerning such an incident will be thoroughly investigated.

Under § 130.05 of NYS Penal Law, an inmate or parolee cannot legally consent to any sexual act with an employee, contract employee, or volunteer (i.e., "staff"). It is a crime for staff to engage in a sexual act with an inmate or parolee. A staff person who engages in sexual conduct, including sexual contact with an inmate or parolee, is guilty of a sex offense even if the inmate or parolee "willingly" participates or manipulates the staff member.

Sexual conduct with a person committed to the custody of the Department is a crime whether it occurs inside a correctional facility, during transportation outside a correctional facility, or while the person is a participant in a temporary release program. Any sexual abuse of an inmate or parolee by a staff member will be prosecuted to the fullest extent of the law.

NOTE: Any incident of sexual assault on staff by an inmate or parolee will be immediately reported to the Office of Special Investigations and handled in accordance with established Department policy for investigation and criminal prosecution of inmates (see Directive #6910, "Criminal Prosecution of Inmates").

III. DEFINITIONS

- A. Sexual Conduct means sexual intercourse, oral sexual conduct, anal sexual conduct, aggravated sexual contact, or sexual contact and shall have the same meaning as set forth in Penal Law § 130.00.
- B. Sexual Contact means any touching of the sexual or other intimate parts of a person not married to the actor for the purpose of gratifying sexual desire of either party, and shall have the same meaning as set forth in Penal Law § 130.00.

- C. Sexual Abuse includes:
1. Inmate-on-Inmate Sexual Abuse: Inmate-on-Inmate Sexual Abuse is when one or more inmates engage in sexual conduct, including sexual contact, with another inmate against his or her will or by use of threats, intimidation or other coercive actions. Inmate-on-Inmate Sexual Abuse is a form of "Prison Rape" under the Prison Rape Elimination Act of 2003 (PREA), 42 U.S.C. § 15609.
 2. Staff-on-Inmate/Staff-on-Parolee Sexual Abuse: Staff-on-Inmate/Staff-on-Parolee Sexual Abuse is when an employee, volunteer, intern or outside contractor engages in sexual conduct, including sexual contact, with an inmate or parolee. Staff-on-Inmate Sexual Abuse is a form of "Prison Rape" under PREA.

- H. Inappropriate relationship means any association with criminals or persons engaged in unlawful activities or any conversation, communication, dealing, transaction, association, or relationship with any inmate, former inmate, parolee or former parolee, or any visitor, friend, or relative of same in any manner or form which is not necessary or proper for the discharge of the employee's duties, and that has not been authorized in accordance with applicable policy.

- IV. **PURPOSE:** The purpose of this Directive is to provide guidelines for the prevention, detection, response and investigation of sexual abuse, sexual harassment or sexual threats, or any act of retaliation against an inmate or parolee for reporting such an incident or for participating in an investigation of such an allegation, including prompt and effective intervention to address the safety and treatment needs of a victim of sexual abuse or sexual harassment, and the investigation, discipline and prosecution of the aggressor(s).

V. **PROCEDURE**

A. Training

1. In accordance with the Department of Corrections and Community Supervision Training Manual, all employees shall receive, during initial training and as in-service training instruction that relates to the prevention, detection, response, and investigation of sexual abuse and sexual harassment in a correctional environment. Training includes initial training, refresher training at least every two years, orientation training upon reassignment to another correctional facility, and annual refresher information.
2. All contractors and contract employees, volunteers, and interns shall receive orientation and periodic in-service training consistent with their level of inmate contact relating to the prevention, detection, and response to sexual abuse and sexual harassment.
3. All inmates shall receive during orientation at reception, and at facility orientation after transfer, information which addresses sexual abuse and sexual harassment. The information shall be communicated orally and in writing, in a language clearly understood by the inmates. This information will address prevention, self-protection (situation avoidance), reporting sexual abuse and sexual harassment, and the availability of treatment and counseling.

- B. Reporting and Investigation of Staff-on-Inmate/Staff-on-Parolee Sexual Abuse, Sexual Harassment or Sexual Threats: An inmate or parolee may report an incident of sexual abuse, sexual harassment, sexual threats, staff voyeurism or any act of retaliation for reporting such an incident or for participating in an investigation of such an allegation to any employee. The initial inmate or parolee report may be verbal or in writing. For reporting purposes under this Directive, "employee" includes any employee, contractor or contract employee, volunteer, or intern of the Department, or any employee, contractor or contract employee assigned to work in a Department correctional facility by any other State agency.
1. An employee who receives a report that an inmate or parolee is the victim of an incident of sexual abuse, sexual harassment, sexual threats, or staff voyeurism must be aware of the sensitive nature of the situation. The victim must be treated with due consideration for the effects of sexual abuse and sexual harassment.
 2. Any employee who receives a report of sexual abuse, sexual harassment, sexual threats, staff voyeurism, or any act of retaliation for reporting such an incident or for participating in an investigation of such an allegation shall:
 - a. Any facility-based employee shall report the information immediately to their supervisor, who shall immediately notify the Watch Commander. In the event the supervisor is not available, the employee shall immediately notify the Watch Commander directly.
 - b. Any community-based employee who receives a report involving an inmate or parolee, who is being supervised in the community has a duty to report such information to the Supervising Parole Officer (Bureau Chief) who shall immediately notify the Regional Director. In the event the Supervising Parole Officer (Bureau Chief) is not available, the employee shall immediately notify the Regional Director. In the event the Regional Director is not immediately available, the Assistant Regional Director shall be notified to avoid any delay.
 - c. The employee shall report the specific details, in writing, to the Watch Commander or Supervising Parole Officer (Bureau Chief) immediately or as soon as possible after verbal notification, and no later than the end of the shift.
 - d. A medical practitioner who receives such information in the course of providing medical treatment to an inmate is required to report the minimum information necessary as set forth in the Department of Corrections and Community Supervision Health Services Policy Manual (HSPM) 1.60.
 - e. Immediate notification shall be made to the Office of Special Investigations in accordance with Directive #4028B, "Sexual Abuse Reporting & Investigation – Staff-on-Inmate/Staff-on-Parolee."
 3. The Watch Commander shall initiate the sexual abuse protocols in accordance with the facility's Coordinated Response Plan to an Incident of Inmate Sexual Abuse, including securing the crime scene, where appropriate.
 4. Reports of sexual abuse and sexual harassment are confidential and information, including but not limited to the identity of the victim, the identity of the person reporting the sexual abuse or sexual harassment, the identity of witnesses and the identity of the alleged perpetrator, is only to be shared with essential employees involved in the reporting, investigation, discipline, and treatment process, or as otherwise required by law.

5. No retaliation of any kind shall be taken against an inmate, parolee or employee for good faith reporting of sexual abuse, sexual harassment, or sexual threats.
6. A prompt, thorough, and objective investigation shall be conducted in all instances of reported sexual abuse, sexual harassment, inappropriate relationships, and retaliation for reporting such an incident. As directed herein and in accordance with Directive #0700, "Office of Special Investigations (OSI)," and other applicable department policies, this investigation shall be initiated promptly and shall be the responsibility of the Office of Special Investigations who shall determine the appropriate investigative response.

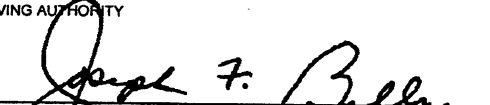

NOTE: Allegations of staff-on-inmate/staff-on-parolee sexual abuse or inappropriate relationships, may be reported to appropriate law enforcement officials and/or prosecutors by the Department's Office of Special Investigations. A person is guilty of falsely reporting an incident if it is proven beyond a reasonable doubt that, knowing the information reported, conveyed, or circulated to be false or baseless, he or she reports to a law enforcement officer or agency the alleged occurrence of an offense or incident which did not in fact occur (Penal Law § 240.50). A report made in good faith based upon a reasonable belief that the alleged conduct did occur does not constitute falsely reporting an incident or lying for the purpose of disciplinary action, even if investigation does not establish evidence sufficient to substantiate the allegation.

- C. Discipline and Prosecution: When investigation substantiates an allegation of sexual abuse and/or inappropriate relationships, it is the Department's policy to refer such incident to the appropriate law enforcement agency or prosecutor, through the Department's Office of Special Investigations, for consideration of criminal charges. Any conduct constituting sexual abuse, sexual harassment, staff voyeurism, inappropriate relationships or any act of retaliation against an inmate, parolee, or employee for reporting an incident of sexual abuse, sexual harassment, staff voyeurism, inappropriate relationships, or for participating in an investigation involving any of those acts may be the basis for disciplinary action whether or not prosecution or a conviction results.

VI. STAFF DUTY TO REPORT

- A. An inmate or parolee may report an incident of sexual abuse, sexual harassment, sexual threats, or an allegation of retaliation concerning such an incident to any employee. The employee shall immediately notify his or her supervisor pursuant to Section V above. The initial inmate or parolee report may be verbal or in writing.
- B. In addition to reporting an allegation of sexual abuse, sexual harassment, sexual threats, or retaliation as reported by an inmate or parolee, all employees, regardless of title, are under a duty to report:
 1. Any knowledge, suspicion, or information regarding an incident of sexual abuse or sexual harassment that occurred in a facility, whether or not the facility is part of the Agency including:
 - a. Any sexual conduct (sexual intercourse, oral sexual conduct, anal sexual conduct, aggravated sexual contact, or sexual contact) between another employee and an inmate or parolee;
 - b. Any inappropriate relationship between another employee and an inmate or parolee;
 - c. Any act of staff voyeurism; or

- d. Any allegation of retaliation for reporting an incident of sexual abuse, or for participating in an investigation of an allegation of sexual abuse.
 - 2. Retaliation against inmates, parolees, or staff who reported such an incident; and
 - 3. Any staff neglect or violation of responsibilities that may have contributed to an incident or retaliation.
- C. Any employee having either knowledge or a reasonable belief of any sexual abuse or sexual conduct, including sexual contact, taking place or having taken place between any employee and an inmate or parolee, sexual harassment, any inappropriate relationship between any employee and an inmate or parolee, or any act of staff voyeurism has a duty to report such information.
- 1. Any facility-based employee shall report such information to their supervisor, who shall immediately notify the Watch Commander. In the event the supervisor is not available, the employee shall immediately notify the Watch Commander directly.
 - 2. Any community-based employee shall report such information to the Supervising Parole Officer (Bureau Chief) who shall immediately notify the Regional Director. In the event the Supervising Parole Officer (Bureau Chief) is not available, the employee shall immediately notify the Regional Director. In the event the Regional Director is not immediately available, the Assistant Regional Director shall be notified to avoid any delay.
- D. Any employee who receives a report of sexual abuse or sexual harassment, or has either knowledge or a reasonable belief of any sexual abuse, sexual conduct, sexual contact, sexual harassment, inappropriate relationship or staff voyeurism between an employee and an inmate or parolee, or any act of retaliation against an inmate, parolee, or employee for reporting an incident of sexual abuse, sexual harassment, staff voyeurism, inappropriate relationship, or for participating in an investigation involving any of those acts, and who fails to report such information, may be subject to disciplinary action.

	Corrections and Community Supervision	TITLE Search of DOCCS Employees		NO. 4936
DIRECTIVE				DATE 4/4/2017

REFERENCES (include but are not limited to) Directives #2115, #3083, #4900, #4910, #4937, #4938; Employees' Manual		APPROVING AUTHORITY 		

- I. **PURPOSE:** The presence of contraband within a Department workplace or a correctional facility and its possibility of subsequent possession and/or use by inmates threatens the security of the facility; it endangers the safety of inmates, employees, visitors, and the community.

Introducing or possessing contraband in a facility is a violation of the New York Penal Law and Department of Corrections and Community Supervision (DOCCS) Rules and Regulations and violators are to be prosecuted. Employees attempting to introduce contraband or who are in possession of contraband shall be subject to both prosecution and disciplinary action.

Sound security operations require routine, periodic, and special searches of all persons entering the workplace. This directive outlines the security procedures to be followed in searching employees while on Department property, which may include work spaces. See also Directive #4900, "Security in Gate Areas/Secure Posts," and Directive #4910, "Control of & Search for Contraband."

- II. **GUIDELINES:** Section 2.30 of the Department's Employees' Manual states:

Any employee on Department property or while on duty is subject to search, which may include workspaces. All employees will routinely be subjected to a metal detector search and packages and other articles carried into the workplace may be routinely inspected. Pat or strip searches may be conducted. Any article that may not be properly taken into or out of the facility may be confiscated and turned over to the Officer in Charge for appropriate disposition. Refusal by an employee to submit to a search is insubordination, shall be cause to refuse him or her entrance to the facility or workplace, and may constitute grounds for disciplinary action. The Department's policy and procedures concerning such searches are contained in Directive #4936, "Search of DOCCS Employees."

Among the many procedures that may be taken to ensure safe and secure facilities and workplaces is the procedure that permits the searching of employees at any time they are on Department property. The need for this procedure has been demonstrated by those occasions when employees have been found to possess contraband within the facilities or in the workplace.

It must also be recognized that all employees shall be treated fairly and in a dignified manner on those occasions when a search is required. Screening staff must be respectful of a person's belongings. Belongings and contents should not be handled carelessly, or in a manner that attracts unnecessary attention. Screening staff shall not make unnecessary or inappropriate comments regarding a person's belongings that might cause embarrassment. Additionally, no inmates will be allowed to remain in the area, or allowed to view screening procedures, when electronic searches of staff are being conducted.

- A. **Metal Detector Searches:** All employees will be subject to metal detector searches upon entering a correctional facility in accordance with Directive #4900 (walk-through, Cellsense, and/or hand held). On a daily basis, the Superintendent or designee (rank of Captain or above) will determine in what manner this will occur, ranging from a random predetermined number of employees entering the facility that will change each shift and day, up to and including all staff entering that facility. The determination will be documented in the Watch Commander's Logbook. It is the responsibility of the staff person being searched to clear the metal detector. Metal detector searches must be supervised by a Sergeant or higher.
1. It is expected that the vast majority of staff persons will clear the metal detection screening with minimal delay. However, if the metal detector alerts and the alerting area is isolated and cannot be resolved, a hand held metal detector will be utilized. In the case of a staff person who may be wearing an underwire bra, the use of a hand held metal detector should resolve the alert to the satisfaction of the supervisor without the need for additional steps. However, if this particular alert or any other alert cannot be resolved to satisfaction of the supervisor, he or she will immediately notify the Watch Commander who in turn will notify the Superintendent, Deputy Superintendent for Security (DSS) or Officer of the Day (OD) to determine the next appropriate step or if additional processing procedures are necessary.

Staff persons who have medical conditions that do not allow them to clear or pass through a walk through metal detector device will be issued a pass by the Superintendent, upon receipt of administratively acceptable medical documentation indicating their medical condition and the extent of the restriction(s) regarding their ability to clear electronic screening. The purpose of the medical alert pass is not to relieve the entering person of the responsibility to clear the staff entrance and search procedure, but to provide an opportunity for the person and the administration to tailor the procedure to that person's unique medical situation. Screening staff conducting searches of entering staff persons with medical passes must still be reasonably assured that no prohibited objects are entering the facility.

Note: Board of Parole member, Central Office staff and other Department employees entering any correctional facility for official business will be processed as facility employees, they will be subject to metal detector and periodic pat frisk searches under the same manner as prescribed in Section II-A & B.

Packages, containers, and other articles carried into the facility shall also be searched/frisked upon entrance and exit of the facility and may be subject to x-ray.

Note: Packages, containers, and other articles containing documents and equipment carried by members of the Board of Parole and their Court Reporters, Central Office staff, the Office of Special Investigations, the Bureau of Labor Relations in connection with an official investigation or labor relations cases, and the facility Executive team may be visually inspected, however, frisking staff are prohibited from reading or reviewing the content of such documents and shall not view the contents of the file folders without the approval of the Commissioner.

- B. Pat Frisk Searches: The Superintendent will order periodic pat frisk searches of any employee to be conducted in a designated area. Pat frisk searches shall be supervised by a uniformed supervisor of the rank of Sergeant or above or a non-uniformed employee of a higher pay grade than the employee being searched. The Officer conducting the pat frisk search must be of the same sex as the employee being searched. In addition, the Watch Commander may approve a pat frisk of an employee based on suspicion or inability to clear the metal detector.

Religious headwear is not considered part of a person's belongings, but rather their person. Random pat frisks should not ordinarily include removal and inspection of religious headwear. Except in emergencies, the Watch Commander or above is required to authorize the search of religious headwear.

C. Strip Searches

1. Definition: For purposes of this directive, a strip search is defined as an inspection of the naked body of the person, and an examination of the person's clothes and personal effects.
2. A strip search of a facility employee may only be conducted on the order of the Superintendent, Acting Superintendent, or the Officer of the Day when the Superintendent or Acting Superintendent is absent from the facility and cannot be contacted.
3. Prior to ordering such a strip search, the Superintendent, Acting Superintendent, or Officer of the Day must make a determination of reasonable suspicion, based upon a review of the specific facts in each situation and rational inferences drawn from the facts.

The following illustrations will provide guidance in determining whether there is "reasonable suspicion" in order to approve an employee strip search.

- Illustration #1: Superintendent Doe receives information from two Correction Officers that employee Roe is bringing marijuana into the correctional facility on a certain day. One of the Officers has given the Superintendent reliable information in the past. There is reasonable suspicion in order to approve a strip search of employee Roe.
- Illustration #2: Inmate Jones informs Superintendent Doe that employee Roe is helping inmate Smith to escape from the facility. Another employee confirms this with additional information that Roe is bringing in drugs and a hacksaw on a certain date. There is reasonable suspicion and the Superintendent may approve the employee's strip search.
- Illustration #3: Superintendent Doe receives general rumors from uniformed supervisors and another reliable source that employee Roe was bringing contraband into the facility. Further, the Superintendent received the same general information from an inmate who has provided reliable information in the past at another facility. Finally, contraband had been discovered at the facility. These facts justify the Department's decision to approve a strip search of employee Roe.

- **Illustration #4:** Inmate Jones gives information to the Department that employee X was bringing drugs into the facility. There is no evidence that this inmate had a history of providing reliable information in the past. Further there is no corroborating evidence. These circumstances do not satisfy the reasonable suspicion standard to justify a strip search.
4. Strip searches must be supervised by a uniformed supervisor having at least the rank of Lieutenant, or at a minimum security facility where it may be a Sergeant if he or she is the ranking supervisor present.
 5. No more than one searching employee may be present in addition to the supervising employee. Additional staff presence must be approved by the Superintendent, Acting Superintendent, or OD as provided in II-C-2 above.
 6. Employees who are to be searched will be treated in a professional manner. Such strip searches shall be conducted in areas which are clean and heated, have appropriate floor covering on which to stand, and have a space for the employee's clothing to be placed off of the floor.
 7. The employee to be searched shall be escorted to the appropriate private area and kept under direct visual observation until commencement of the search.
 8. The supervising and searching employees must be of the same sex as the employee being searched. If a ranking female security supervisor is not available, the Superintendent shall designate a female employee (holding a higher grade than the employee being searched) to be present during the search.
 9. An employee may refuse to submit to a strip search, but such refusal shall be cause to deny the employee's entrance to the facility and shall be grounds for disciplinary action.
 10. The employee being searched may request the presence of a witness or union representative. If the employee being searched is a non-uniformed employee, every effort should be made to have the employee's supervisor present during the search if the employee so requests.
 11. Subsequent to the search, the employee will be provided with a statement that will include: date of search, time of day, location, identification of searching employees, supervising employee, representative or witness present, and the results of the search. This report shall be delivered to the employee and, upon the employee's request, the union representative no later than the end of the work day following the day the request was made.
 12. A copy of such statement shall be forwarded to the Deputy Commissioner for Correctional Facilities.

When on Department property not associated with a correctional facility (e.g., Central Office, satellite offices, regional parole offices, and other Department properties), pat or strip searches may be conducted only on the order of the assigned Deputy Commissioner having oversight of that area.
 13. The search area on other Department properties will be designated by the assigned Deputy Commissioner, and in correctional facilities, will be designated by the Superintendent or Acting Superintendent.

D. Prohibited Strip Searches and Frisks

1. Random strip searches are not allowed.
 - a. Definition: For purposes of this directive, a random strip search is a strip search conducted for security or investigatory reasons when there has not been a Superintendent's determination of reasonable suspicion regarding a specific individual.
 - b. Random strip searches are not to be ordered. There must be a finding of reasonable suspicion that an individual employee was attempting to introduce contraband into the correctional facility prior to ordering the strip search of an employee.
2. Strip frisks are not allowed without a search warrant.
 - a. Definition: For purposes of this directive, a strip frisk is defined as a search including a visual examination of the anal and genital areas of the person searched.
 - b. No employee shall be strip frisked, unless the Superintendent has first secured a search warrant for that person to be strip frisked.

 Corrections and Community Supervision TRAINING MANUAL	Subject: 7.150 Orientation Program for Per Diem and Non- Departmental Employees	
	Supersedes: 08-25-21	Page: 1 of 4
Authorized By: 	Reference: ACA 4-4088	Date: 07-10-2017

I. PURPOSE:

To establish a standardized 16-hour orientation program for persons working within the New York State Department of Corrections and Community Supervision, but are not employed by DOCCS.

II APPLICABILITY:

Personnel who are assigned work within DOCCS as either a per diem or non-departmental employee, for example: Office of Mental Health (OMH) and agency-contracted employees. This policy is not applicable to construction contractors.

III POLICY:

All staff to whom this subject applies will receive a 16-hour orientation program. The orientation program will be administered during the employee's first two days at the facility. Orientation for volunteers is covered under Directive #4750, Section V, D. The facility will determine what additional training is necessary for each individual.

IV PROCEDURE:

The Facility Training Contact will oversee the orientation of non-departmental and per diem employees. This person will be responsible for arranging the necessary staff to be available for escorting and explaining the functions of the various areas of the facility.

The new non-departmental or per diem employee will meet with the Facility Training Contact and/or appropriate escorting staff member. The Training Contact will ensure the employee receives orientation information on the areas designated on the 16-Hour Orientation sign-off sheet (Attachment A).

The staff member who delivers the information will sign in the appropriate area on the orientation sign-off sheet (Attachment A) to verify orientation in the specific topic.

The training escort will act as a guide for the new, non-departmental employee. The introduction to security will be divided into two components, which will include a tour of the facility as well as an orientation of the informational topics outlined on the orientation sign-off sheet. If there is security information specific to a facility, it should be included in the tour and/or as a topic to be covered.

An escort must remain with the new employee for the duration of the tour and be prepared to give a verbal overview of each area. Positive dialogue between the guide and employee should be encouraged, allowing for questions and comments throughout the tour. Each question will be treated with courtesy and professionalism. It is important to remember that this is the first opportunity for the person to see the facility in operation and individual reactions will vary.

Facility staff members shall be introduced at the guide's discretion to supplement the tour and provide information related to the different areas of the facility. The tour must be pre-planned and timed, always beginning in the same area and ending in a room conducive for the presentation of the outlined topics.

Following the tour, the guide will share information regarding important security topics such as those listed above, and basic dos and don'ts. This presentation should include handouts, safety fact sheets, and relevant facility materials, which can be used as a reference in the future.

This segment also provides the opportunity to address the disciplinary process, explain the security hierarchy in a facility, and explain the respect for the chain of command by the security workforce. Like the tour, presentation of the topic materials, handouts, and videotapes should be well planned and timed.

At the conclusion of the second day, the new non-departmental employee will sign the Orientation form acknowledging that he or she received 16 hours of orientation. This form will be forwarded to the Training Contact for filing.
