

IFB #2019-11 CLEAR PVC BAGS
 BIDDERS' QUESTIONS (DUE BY MAY 10TH, 2019)

#	Question	DOCCS Response
1	<i>Is there any way you can arrange to send a sample to my head of production?</i>	DOCCS does not have a sample of the bag requested.
2	<i>Is there a current bid tabulation for this product?</i>	No, there is not.
3	<i>What initial order quantity is anticipated?</i>	Please refer to page 24 of the IFB.
4	<i>Flame Resistance: Pass NFPA 701 – will equivalent certifications be accepted?</i>	To what equivalent certification are you referring? Please clarify.
5	<i>Is there a past price and previous order quantity for this bid?</i>	This is the first time the DOCCS Contract Unit has sought bids for this item.
6	<i>Are you able to share the manufacturer, and/or manufacturer's part number of the item you are looking for through this solicitation?</i>	No. DOCCS does not have a manufacturer or part number to share. We are looking for a product that meets our listed specifications
6	<i>Also, are you able to provide the most recent past vendor who was awarded this business, for what product, and at what price it was awarded?</i>	This is the first time the DOCCS Contract Unit has sought bids for this item.
7	<i>What is the size of the front pocket?</i>	8.5"W x 6"H x 1"D
8	<i>What are the full dimensions of the straps (width, length)? Looks like one is folded-over?</i>	The strap is 1" wide and the length must be adjustable up to 48". The handle straps are also 1" wide and have a centered 5" (lengthwise) folded seam for reinforcement.
9	<i>What material is the trim made of?</i>	Durable nylon
10	<i>What material are the straps made of?</i>	Durable nylon

11	<i>What are the zipper size/specs? Pullers?</i>	The top zipper is approximately 16" in length and requires a two-way separating zipper. The front pocket is approximately 13" and requires a one-way separating zipper. Both to be made with durable nylon. The zipper pullers are to be made of durable nylon and knotted to 2" in length.
12	<i>There's a small loop in the photo. What is it made of? Size? How attached?</i>	This hanging loop is to be made of durable nylon. It is approximately 3" in length and .25" in width. This loop is sewn into the back seam of the bag.
