GENERAL INFORMATION

DISPUTE RESOLUTION POLICY:

It is the policy of the NYSDOCCS and the Office of the State Comptroller to provide vendors with an opportunity to administratively resolve disputes, complaints or inquiries related to NYS bid solicitations or contract awards. NYSDOCCS and the Office of the State Comptroller encourage vendors to seek resolution of disputes through consultation with NYSDOCCS staff. All such matters will be accorded impartial and timely consideration. Interested parties may also file formal written disputes.

TAX LAW § 5-A:

TAX LAW § 5-A Amended April 26, 2006 (Appendix 2):

Tax Law § 5-a, as amended on April 26, 2006, requires certain contractors who are awarded state contracts for commodities and/or services valued at more than \$100,000 (over the full term of the contract, excluding renewals) to certify to the Department of Taxation and Finance (DTF) they are registered to collect New York State (NYS) and local sales and compensating use taxes. The law applies to contracts where the total amount of the contractor's sales delivered into NYS exceed \$300,000 for the four quarterly periods immediately preceding the quarterly period when the certification is made; and with respect to any affiliates and subcontractors whose sales delivered into NYS also exceed \$300,000 in the same manner as noted above for the contractor.

This law imposes upon certain contractors the obligation to certify whether or not the contractor, its affiliates, and its subcontractors are required to register to collect state sales and compensating use tax. The contractors must certify to DTF that each affiliate and subcontractor exceeding the sales threshold is registered with DTF to collect such State and local sales and compensating use taxes. The law prohibits the Comptroller, or other approving agency, from approving a contract to a vendor who is not registered in accordance with the law.

There are two (2) Contractor certification forms, with instructions, required for this bid. **Form ST-220-TD is to be submitted directly to DTF. Submission to DTF is a one-time occurrence. If you have already submitted this form to DTF for other bidding opportunities, you do not need to submit the form attached to this bid. If, however, any certification information changes, a new ST-220-TD must be filed with DTF. Form ST-220-CA must be completed and submitted with this bid. This form certifies to the procuring agency that the contractor has filed ST-220-TD with DTF in compliance with the law.**

Bidders should complete and submit the certification forms within two business days of request (if the forms are not submitted to DTF and/or and returned with bid). Bidders shall take the necessary steps to provide properly certified forms within a timely manner to ensure compliance with the law, as failure to do so may render a bidder non-responsive and non-responsible.

Vendors may call DTF at 1-800-698-2909 for any and all questions relating to Tax Law § 5-a and relating to a company's registration status with DTF. For additional information and frequently asked questions, please refer to the DTF web site: <http://www.tax.ny.gov>

TERMINATION FOR VIOLATION OF Revised Tax Law 5a:

NYS DOCCS reserves the right to terminate this contract in the event it is found that the certification filed by the Contractor in accordance with § 5-a of the Tax Law is not timely filed during the term of the contract or the certification furnished was intentionally false or intentionally incomplete. Upon such finding, NYSDOCCS may exercise its termination right by providing written notification to the Contractor.

MERCURY-ADDED CONSUMER PRODUCTS:

Offerors are advised that effective January 1, 2005, Article 27, Title 21 of the Environmental Conservation Law bans the sale or distribution free of charge of fever thermometers containing mercury except by prescription written by a physician and bans the sale or distribution free of charge of elemental mercury other than for medical pre-encapsulated dental amalgam, research, or manufacturing purposes due to the hazardous waste concerns of mercury. The law further states that effective July 12, 2005, manufacturers are required to label mercury-added consumer products that are sold or offered for sale in New York State by a distributor or retailer. The label is intended to inform consumers of the presence of mercury in such products and of the proper disposal or recycling of mercury-added consumer products. Offerors are encouraged to contact the Department of Environmental Conservation, Bureau of Solid Waste, Reduction & Recycling at (518) 402-8705 or the Bureau of Hazardous Waste Regulation at 1-800-462-6553 for questions relating to the law. Offerors may also visit the Department's web site for additional information: <http://www.dec.ny.gov/chemical/8512.html>

DEBRIEFING:

Bidders will be accorded fair and equal treatment with respect to their opportunity for debriefing. Disclosure of the content of competing bids other than statistical tabulations of bids received in response to an IFB, is prohibited prior to contract award. Prior to contract award, DOCCS shall, upon request, provide a debriefing which would be limited to review of that bidder's proposal or bid. After contract award, DOCCS shall, upon request, provide a debriefing to any bidder that responded to the IFB, regarding the reason that the proposal or bid submitted by the unsuccessful bidder was not selected for a contract award. CONTRACTOR REQUIREMENTS AND PROCEDURES FOR PARTICIPATION BY NEW YORK STATE CERTIFIED MINORITY AND WOMEN-OWNED BUSINESS ENTERPRISES AND EQUAL EMPLOYMENT OPPORTUNITIES FOR MINORITY GROUP MEMBERS AND WOMEN

New York State Law: Pursuant to New York State Executive Law Article 15-A and Parts 140-145 of Title 5 of the New York Codes, Rules and Regulations DOCCS is required to promote opportunities for the maximum feasible participation of New York State-certified Minority and Women-owned Business Enterprises ("MWBEs") and the employment of minority group members and women in the performance of DOCCS contracts.

Business Participation Opportunities for MWBEs

For purposes of this solicitation, DOCCS hereby establishes an overall goal of **0** percent for MWBE participation, **0** percent for New York State-certified Minority-owned Business Enterprise ("MBE") participation and **0** percent for New York State-certified Women-owned Business Enterprise ("WBE") participation (based on the current availability of MBEs and WBEs). A contractor ("Contractor") on any contract resulting from this procurement ("Contract") must document its good faith efforts to provide meaningful participation by MWBEs as subcontractors and suppliers in the performance of the Contract. To that end, by submitting a response to this IFB, the bidder agrees that DOCCS may withhold payment pursuant to any Contract awarded as a result of this IFB pending receipt of the required MWBE documentation. The directory of MWBEs can be viewed at: <https://ny.newnycontracts.com>. For guidance on how DOCCS will evaluate a Contractor's "good faith efforts," refer to 5 NYCRR § 142.8.

GENERAL INFORMATION

The bidder understands that only sums paid to MWBEs for the performance of a commercially useful function, as that term is defined in 5 NYCRR § 140.1, may be applied towards the achievement of the applicable MWBE participation goal.

The portion of a contract with an MWBE serving as a broker that shall be deemed to represent the commercially useful function performed by the MWBE shall be 25 percent of the total value of the contract.

In accordance with 5 NYCRR § 142.13, the bidder further acknowledges that if it is found to have willfully and intentionally failed to comply with the MWBE participation goals set forth in a Contract resulting from this solicitation, such finding constitutes a breach of contract and DOCCS may withhold payment as liquidated damages.

Such liquidated damages shall be calculated as an amount equaling the difference between: (1) all sums identified for payment to MWBEs had the Contractor achieved the contractual MWBE goals; and (2) all sums actually paid to MWBEs for work performed or materials supplied under the Contract.

By submitting a bid or proposal, a bidder agrees to demonstrate its good faith efforts to achieve the applicable MWBE participation goals by submitting evidence thereof through the New York State Contract System ("NYSCS"), which can be viewed at <https://ny.newnycontracts.com>, provided, however, that a bidder may arrange to provide such evidence via a non-electronic method by contacting the designated contact(s) for this procurement. Additionally, a bidder will be required to submit the following documents and information as evidence of compliance with the foregoing:

1. An MWBE Utilization Plan with their bid or proposal. Any modifications or changes to an accepted MWBE Utilization Plan after the Contract award and during the term of the Contract must be reported on a revised MWBE Utilization Plan and submitted to DOCCS for review and approval.

DOCCS will review the submitted MWBE Utilization Plan and advise the bidder of DOCCS acceptance or issue a notice of deficiency within 30 days of receipt.

2. If a notice of deficiency is issued, the bidder will be required to respond to the notice of deficiency within seven (7) business days of receipt by submitting to DOCCS, a written remedy in response to the notice of deficiency. If the written remedy that is submitted is not timely or is found by DOCCS to be inadequate, DOCCS shall notify the bidder and direct the bidder to submit, within five (5) business days, a request for a partial or total waiver of MWBE participation goals. Failure to file the waiver form in a timely manner may be grounds for disqualification of the bid or proposal.

DOCCS may disqualify a bidder as being non-responsive under the following circumstances:

- a) If a bidder fails to submit an MWBE Utilization Plan;
- b) If a bidder fails to submit a written remedy to a notice of deficiency;
- c) If a bidder fails to submit a request for waiver; or
- d) If DOCCS determines that the bidder has failed to document good faith efforts.

The successful bidder will be required to attempt to utilize, in good faith, any MBE or WBE identified within its MWBE Utilization Plan, during the performance of the Contract. Requests for a partial or total waiver of established goal requirements made subsequent to Contract Award may be made at any time during the term of the Contract to DOCCS, but must be made no later than prior to the submission of a request for final payment on the Contract.

The successful bidder will be required to submit a quarterly M/WBE Contractor Compliance & Subcontractor Payment Report to DOCCS, by the 10th day following each end of quarter as applicable over the term of the Contract documenting the progress made toward achievement of the MWBE goals of the Contract.

GENERAL INFORMATION

Equal Employment Opportunity Requirements

By submission of a bid or proposal in response to this solicitation, the bidder agrees with all of the terms and conditions of Appendix A – Standard Clauses for All New York State Contracts including Clause 12 - Equal Employment Opportunities for Minorities and Women. The bidder is required to ensure that it and any subcontractors awarded a subcontract for the construction, demolition, replacement, major repair, renovation, planning or design of real property and improvements thereon (the "Work"), except where the Work is for the beneficial use of the bidder, undertake or continue programs to ensure that minority group members and women are afforded equal employment opportunities without discrimination because of race, creed, color, national origin, sex, age, disability or marital status. For these purposes, equal opportunity shall apply in the areas of recruitment, employment, job assignment, promotion, upgrading, demotion, transfer, layoff, termination, and rates of pay or other forms of compensation. This requirement does not apply to: (i) work, goods, or services unrelated to the Contract; or (ii) employment outside New York State.

The bidder will be required to submit a Minority and Women-owned Business Enterprise and Equal Employment Opportunity Policy Statement to DOCCS with its bid or proposal.

If awarded a Contract, bidder shall submit a Workforce Utilization Report and shall require each of its Subcontractors to submit a Workforce Utilization Report, in such format as shall be required by DOCCS on a quarterly basis as required during the term of the Contract.

Pursuant to Executive Order #162, contractors and subcontractors will also be required to report the gross wages paid to each of their employees for the work performed by such employees on the contract utilizing the Workforce Utilization Report on a quarterly basis.

Further, pursuant to Article 15 of the Executive Law (the "Human Rights Law"), all other State and Federal statutory and constitutional non-discrimination provisions, the Contractor and sub-contractors will not discriminate against any employee or applicant for employment because of race, creed (religion), color, sex, national origin, sexual orientation, military status, age, disability, predisposing genetic characteristic, marital status or domestic violence victim status, and shall also follow the requirements of the Human Rights Law with regard to non-discrimination on the basis of prior criminal conviction and prior arrest.

Please Note: Failure to comply with the foregoing requirements may result in a finding of non-responsiveness, non-responsibility and/or a breach of the Contract, leading to the withholding of funds, suspension or termination of the Contract or such other actions or enforcement proceedings as allowed by the Contract.

PARTICIPATION OPPORTUNITIES FOR NEW YORK STATE CERTIFIED SERVICE-DISABLED VETERAN-OWNED BUSINESSES

Article 17-B of the New York State Executive Law provides for more meaningful participation in public procurement by certified Service-Disabled Veteran-Owned Businesses ("SDVOBs"), thereby further integrating such businesses into New York State's economy. DOCCS recognizes the need to promote the employment of service-disabled veterans and to ensure that certified service-disabled veteran-owned businesses have opportunities for maximum feasible participation in the performance of DOCCS contracts.

In recognition of the service and sacrifices made by service-disabled veterans and in recognition of their economic activity in doing business in New York State, Bidders/Contractors are strongly encouraged and expected to consider SDVOBs in the fulfillment of the requirements of the Contract. Such participation may be as subcontractors or suppliers, as protégés, or in other partnering or supporting roles.

For purposes of this procurement, DOCCS conducted a comprehensive search and determined that the Contract does not offer sufficient opportunities to set specific goals for participation by SDVOBs as subcontractors, service providers, and suppliers to Contractor. Nevertheless, Bidder/Contractor is encouraged to make good faith efforts to promote and assist in the participation of SDVOBs on the Contract for the provision of services and materials. The directory of New York State Certified SDVOBs can be viewed at: <https://ogs.ny.gov/veterans/>

Bidder/Contractor is encouraged to contact the Office of General Services' Division of Service-Disabled Veteran's Business Development at 518-474-2015 or VeteransDevelopment@ogs.ny.gov to discuss methods of maximizing participation by SDVOBs on the Contract.

GENERAL INFORMATION

EXECUTIVE ORDER NUMBER 177

Bidders must review Executive Order 177 prior to submitting bids. You may access the executive order on the Governor's website: <https://www.governor.ny.gov/sites/governor.ny.gov/files/atoms/files/EO177.pdf>

Bidders shall complete the EO177 Certification form located within this IFB as evidence of compliance with the foregoing and submit with bid.

SEXUAL HARASSMENT PREVENTION

Pursuant to New York State Finance Law § 139-I, every bid made on or after January 1, 2019 to the State or any public department or agency thereof, where competitive bidding is required by statute, rule or regulation, for work or services performed or to be performed or goods sold or to be sold, and where otherwise required by such public department or agency, shall contain a certification that the bidder has and has implemented a written policy addressing sexual harassment prevention in the workplace and provides annual sexual harassment prevention training to all of its employees. Such policy shall, at a minimum, meet the requirements of New York State Labor Law § 201-g: <https://www.nysenate.gov/legislation/laws/LAB/201-G>

New York State Labor Law § 201-g provides requirements for such policy and training and directs the Department of Labor, in consultation with the Division of Human Rights, to create and publish a model sexual harassment prevention guidance document, sexual harassment prevention policy and sexual harassment prevention training program that employers may utilize to meet the requirements of New York State Labor Law § 201-g. The model sexual harassment prevention policy, model sexual harassment training materials, and further guidance for employers, can be found online at the following URL: <https://www.ny.gov/combating-sexual-harassment-workplace/employers>

Pursuant to New York State Finance Law § 139-I, any bid by a corporate bidder containing the certification required above shall be deemed to have been authorized by the board of directors of such bidder, and such authorization shall be deemed to include the signing and submission of such bid and the inclusion therein of such statement as the act and deed of the bidder.

If the Bidder cannot make the required certification, such Bidder shall so state and shall furnish with the bid a signed statement that sets forth in detail the reasons that the Bidder cannot make the certification. After review and consideration of such statement, DOCCS may reject the bid or may decide that there are sufficient reasons to accept the bid without such certification.

FREEDOM OF INFORMATION LAW / TRADE SECRETS

During the evaluation process, the content of each bid will be held in confidence and details of any bid will not be revealed (except as may be required under the Freedom of Information Law or other State law). The Freedom of Information Law provides for an exemption from disclosure for trade secrets or information the disclosure of which would cause injury to the competitive position of commercial enterprises. This exemption would be effective both during and after the evaluation process.

Should you feel your firm's bid contains any such trade secrets or other confidential or proprietary information, you must submit a request to exempt such information from disclosure. Such request must be in writing, must state the reasons why the information should be exempt from disclosure and must be provided at the time of submission of the subject information. Upon notification from DOCCS, Bidders/Contractors must provide a redacted version of the records they wish to be exempted from release.

Requests for exemption of the entire contents of a bid from disclosure have generally not been found to be meritorious and are discouraged. Kindly limit any requests for exemption of information from disclosure to bona fide trade secrets or specific information, the disclosure of which would cause a substantial injury to the competitive position of your firm.

GENERAL INFORMATION

NEW YORK STATE VENDOR FILE REGISTRATION

Prior to being awarded a contract pursuant to this Solicitation, the Bidder(s) and any designated authorized resellers who accept payment directly from the State, must be registered in the New York State Vendor File (Vendor File) administered by the Office of the State Comptroller (OSC). This is a central registry for all vendors who do business with New York State Agencies and the registration must be initiated by a State Agency. Following the initial registration, unique New York State ten-digit vendor identification numbers will be assigned to your company and to each of your authorized resellers (if any) for usage on all future transactions with New York State. Additionally, the Vendor File enables vendors to use the Vendor Self-Service application to manage all vendor information in one central location for all transactions related to the State of New York. If Bidder is already registered in the New York State Vendor File, list the ten-digit vendor ID number on the Bid Signature Page. Authorized resellers already registered should list the ten-digit vendor ID number along with the authorized reseller information.

If the Bidder is not currently registered in the Vendor File and is recommended for award, DOCCS shall request completion of OSC Substitute W-9 Form. A fillable form with instructions can be found at the link below. In addition, if authorized resellers are to be used, an OSC Substitute W-9 form should be completed by each of the designated authorized resellers and submitted to the Office of General Services Business Services Center. The Office of General Services Business Services Center will initiate the vendor registration process for all Bidders recommended for Contract Award and their authorized resellers. Once the process is initiated, registrants will receive an email from OSC that includes the unique ten-digit vendor identification number assigned to the company and instructions on how to enroll in the online Vendor Self-Service application. NYS VENDOR RESPONSIBILITY QUESTIONNAIRE

DOCCS conducts a review of prospective contractors ("Bidders") to provide reasonable assurances that the Bidder is responsive and responsible. A Questionnaire is used for non-construction contracts and is designed to provide information to assess a Bidder's responsibility to conduct business in New York based upon financial and organizational capacity, legal authority, business integrity, and past performance history. By submitting a bid, Bidder agrees to fully and accurately complete the "Questionnaire." The Bidder acknowledges that the State's execution of the Contract will be contingent upon the State's determination that the Bidder is responsible, and that the State will be relying upon the Bidder's responses to the Questionnaire when making its responsibility determination.

DOCCS recommends each Bidder file the required Questionnaire online via the New York State VendRep System. To enroll in and use the VendRep System, please refer to the VendRep System Welcome Package for Vendors available at the Office of the State Comptroller's (OSC) website, http://www.osc.state.ny.us/vendrep/documents/system/welcome_package.pdf or to enroll, go directly to the VendRep System online at <https://portal.osc.state.ny.us>

OSC provides direct support for the VendRep System through user assistance, documents, online help, and a help desk. The OSC Help Desk contact information is located at: <http://www.osc.state.ny.us/portal/contactbuss.htm>.

Bidders opting to complete the paper questionnaire can access this form and associated definitions via the OSC website at: http://www.osc.state.ny.us/vendrep/forms_vendor.htm

The Contractor must remain a responsible vendor throughout the duration of the contract and, if at any time the Contractor is found to be not responsible or there is a question as to the vendor's responsibility, any activities pursuant to the contract may be suspended. Finally, the contract may be terminated following a finding of non-responsibility.

To assist the State in determining the responsibility of the Bidder, the Bidder should complete and certify (or recertify) the Questionnaire no more than six (6) months prior to the bid due date.

A Bidder's Questionnaire cannot be viewed by DOCCS until the Bidder has certified the Questionnaire. It is recommended that all Bidders become familiar with all of the requirements of the Questionnaire in advance of the bid opening to provide sufficient time to complete the Questionnaire.

The Bidder agrees that if it is found by the State that the Bidder's responses to the Questionnaire were intentionally false or intentionally incomplete, on such finding, DOCCS may terminate the Contract. In no case shall such termination of the Contract by the State be deemed a breach thereof, nor shall the State be liable for any damages for lost profits or otherwise, which may be sustained by the Contractor as a result of such termination.

GENERAL INFORMATION

The Contractor shall at all times during the Contract term remain responsible. The Contractor agrees, if requested by the Commissioner of DOCCS or his designee, to present evidence of its continuing legal authority to do business in New York State, integrity, experience, ability, prior performance, and organizational and financial capacity.

The DOCCS Commissioner or his designee, in his or her sole discretion, reserves the right to suspend any or all activities under this Contract, at any time, when he or she discovers information that calls into question the responsibility of the Contractor. In the event of such suspension, the Contractor will be given written notice outlining the particulars of such suspension. Upon issuance of such notice, the Contractor must comply with the terms of the suspension order. Contract activity may resume at such time as the DOCCS Commissioner or his designee issues a written notice authorizing a resumption of performance under the Contract.

CONFLICT OF INTEREST:

Bidder must disclose any existing or contemplated relationship with any other person or entity, including relationships with any member, shareholders of 5% or more, parent, subsidiary, or affiliated firm, which would constitute an actual or potential conflict of interest or appearance of impropriety, relating to other clients/customers of the Respondent or former officers and employees of the Agencies and their Affiliates, in connection with your rendering services enumerated in this IFB. If a conflict does or might exist, please describe how your Staffing Firm would eliminate or prevent it. Indicate what procedures will be followed to detect, notify the Agencies of, and resolve any such conflicts.

Bidder must disclose whether it, or any of its members, shareholders of 5% or more, parents, affiliates, or subsidiaries, have been the subject of any investigation or disciplinary action by the New York State Commission on Public Integrity or its predecessor State entities (collectively, "Commission"), and if so, a brief description must be included indicating how any matter before the Commission was resolved or whether it remains unresolved.

Additionally, a bidder will be required to submit the ***Vendor Assurance of No Conflict of Interest or Detrimental Effect*** form located within this IFB as evidence of compliance with the foregoing.

PUBLIC OFFICERS LAW:

Contractors, consultants, vendors, and subcontractors may hire former State Agency or Authority employees. However, as a general rule and in accordance with New York Public Officers Law, former employees of the State Agency or Authority may neither appear nor practice before the State Agency or Authority, nor receive compensation for services rendered on a matter before the State Agency or Authority, for a period of two years following their separation from State Agency or Authority service. In addition, former State Agency or Authority employees are subject to a "lifetime bar" from appearing before the State Agency or Authority or receiving compensation for services regarding any transaction in which they personally participated or which was under their active consideration during their tenure with the State Agency or Authority.

The Contractor certifies that all of its employees and those of its Subcontractors who are former employees of the State and who are assigned to perform services under this Contract shall be assigned in accordance with all Ethics Requirements. During the Term, no person who is employed by the Contractor or its Subcontractors and who is disqualified from providing services under this Contract pursuant to any Ethics Requirements may share in any net revenues of the Contractor or its Subcontractors derived from this Contract. The Contractor shall identify and provide the State with notice of those employees of the Contractor and its Subcontractors who are former employees of the State that will be assigned to perform services under this Contract, and make sure that such employees comply with all applicable laws and prohibitions. The State shall have the right to terminate this Contract at any time if any work performed hereunder is in conflict with any of the Ethics Requirements.

SUBCONTRACTING:

The Contractor agrees not to subcontract any of its services, unless as indicated in its bid, without the prior written approval of the DOCCS. Approval shall not be unreasonably withheld upon receipt of written request to subcontract.

If the Contractor determines to subcontract a portion of the services, the subcontractors must be clearly identified and the nature and extent of its involvement in and/or proposed performance must be fully explained by the Contractor to the DOCCS. As part of this explanation, the subcontractor must submit to the DOCCS a completed *Vendor Assurance of No Conflict of Interest or Detrimental Effect* form, as required by the Contractor prior to execution of a contract.

The Contractor retains ultimate responsibility for all services performed under a contract.

All subcontracts shall be in writing and shall contain provisions, which are functionally identical to, and consistent with, the provisions of this IFB. Unless waived in writing by DOCCS, all subcontracts between the Contractor and subcontractors shall expressly name DOCCS as the sole intended third party beneficiary of such subcontract. DOCCS reserves the right to review and approve or reject any subcontract, as well as any amendment to said subcontract(s), and this right shall not make DOCCS a party to any subcontract or create any right, claim, or interest in the subcontractor or proposed subcontractor against DOCCS.

DOCCS reserves the right, at any time during the contract term to verify that the written subcontract between the Contractor and subcontractors is in compliance with all of the provisions of this Section and any subcontract provisions contained in this IFB.

The Contractor shall give DOCCS immediate notice in writing of the initiation of any legal action or suit which relates in any way to a subcontract with a subcontractor or which may affect the performance of the Contractor's duties under a contract. Any subcontract shall not relieve the Contractor in any way of any responsibility, duty and/or obligation of a contract.

MINOR DEVIATIONS (s)/MINOR TECHNICALITY:

DOCCS reserves the right to have the flexibility to consider bids with minor deviations or technicalities and to waive minor deviations or technicalities that may be consistent with the intent and scope of the solicitation. The flexibility may permit a reasonable outcome in cases where the results of a fair, competitive process are clear but the award of a contract is threatened due to a minor technicality or a minor deviation.

Authorization forms are available at the State Comptroller's website at www.osc.state.ny.us/epay/index.htm, by email at epunit@osc.state.ny.us, or by telephone at (518) 474-4032. Contractor acknowledges that it will not receive payment on any invoices submitted under this Contract if it does not comply with the State Comptroller's electronic payment procedures, except where the Commissioner has expressly authorized payment by paper check as set forth above.

GENERAL INFORMATION

Please note that in conjunction with New York State's implementation of a Statewide Financial System (SFS), the Office of the State Comptroller requires all vendors doing business with New York State agencies to complete a substitute W-9 form. INTEREST:

ESTIMATED/SPECIFIC QUANTITIES:

The quantities or dollar values listed are estimated only.

CONTRACT PERIOD AND RENEWALS:

It is the intention of the State to enter into a contract for a period of five (5) years as stated on the Invitation for Bids except that the commencement and termination dates appearing on the Invitation for Bids may be adjusted forward unilaterally by the State for any resulting contract for up to two calendar months, by indicating such change on the Contract Award Notification.

The contract dates may be adjusted forward beyond two months only with the approval of the successful bidder. If, however, the bidder is not willing to accept an adjustment of the contract dates beyond the two-month period, the State reserves the right to proceed with an award to another bidder.

REJECTION:

The State reserves the right to reject an obviously unbalanced bid or to make "NO AWARD" on individual listings or sub-items if individual bid prices are deemed to be unbalanced or excessive or if an error in the solicitation becomes evident. In such case, ranking and evaluation of bids may be made on remaining items. Award would be made on the remaining items. The determination of an unbalanced bid shall be at the sole discretion of the State. Options contained in this paragraph shall also be at the State's sole discretion.

PRICE ADJUSTMENT:

Price shall remain firm for the first year. Thirty days prior to each anniversary date of the award, the Contractor may request a rate change (increase or decrease) based upon fluctuations in the latest published copy of the Consumer Price Index for all urban consumers as published by the U S. Department of Labor, Bureau of Labor Statistics, Washington, D.C. 20212. (**Specifically—Northeast Urban, Not Seasonally Adjusted, Services, Series ID: CUUR0100SAS**). The index is also available through the Internet at the US Bureau of Labor Statistics web site at www.bls.gov.

If during the time the Price Adjustment is requested, and the above series ID is discontinued or not available, the State reserves the right to implement another applicable index.

GENERAL INFORMATION

Price adjustments using the CPI involve changing the base payment by the percent change in the level of the CPI between the reference period and a subsequent time period. This is calculated by first determining the index point change between the two periods and then the percent change. The price adjustment shall be calculated as follows. Take the CPI for the 3rd month prior to the month of the start date of the awarded contract and subtract this figure from the CPI value for the 3rd month prior to the anniversary date of the awarded contract. (e.g.: If contract begins in June, use the March CPI) That sum is then divided by the CPI value for the original 3rd month prior to start date and this result is then multiplied by 100 to equal the percent change which is the price adjustment value. This percentage of increase or decrease shall be applied to the next contract year, effective on the anniversary date of the contract. The following example illustrates the computation of percent change:

Example (fictitious):

CPI for current period	136.0
Less CPI for previous period	129.9
Equals index point change	6.1
Divided by previous period CPI	129.9
Equals	0.047
Result multiplied by 100	0.047 x 100
Equals percent change	4.7

The Contractor has the sole responsibility to submit invoices at the adjusted rate on the applicable anniversary date and shall provide a copy of the index and other supporting documentation necessary to support the increase or decrease to the Authorized User, as appropriate. Should the Contractor fail to submit adjusted invoices and/or supporting documentation within three (3) months after the applicable anniversary date, the Contractor shall be deemed to have waived its right to any increase in price for that year, but the State shall not be barred from making the appropriate adjustment in the case of a decrease determined in accordance with the above methodology.

CANCELLATION FOR CAUSE AND CONVENIENCE:

This agreement may be terminated by mutual agreement upon thirty (30) days written notice. Also, DOCCS may terminate the agreement immediately for cause, upon written notice, if the contractor fails to comply with the terms and conditions of this agreement and/or with any laws, rules, regulations, policies or procedures of the State of New York affecting this agreement.

The State of New York retains the right to cancel this contract, in whole or in part without reason provided that the Contractor is given at least thirty (30) days' notice of its intent to cancel. This provision should not be understood as waiving the State's right to terminate the contract for cause or stop work immediately for unsatisfactory work, but is supplementary to that provision. Any such cancellation shall have no effect on existing Agency agreements, which are subject to the same 30-day discretionary cancellation or cancellation for cause by the respective user Agencies.

In accordance with State Finance Law §139-j(3)(a)(3), this mandatory site visit is covered by the permissible subject matter authorization. A vendor is authorized to speak with representatives other than Designated Contact(s) for the sole purpose of the site visit (to arrange attendance, during the conduct of the visit and to pose questions regarding the site).

The site visit will provide an opportunity for Bidders to see firsthand the existing equipment, the tasks to be performed and the special needs of the facility. Questions during the site visit will be permitted. It is suggested that the bidder note the question and ask at the end of the tour. Completion of the Site Visit Verification Form is required and will be available to sign at the time of the Site Visit.

Verbal answers are not official answers. All questions asked at the conference or after the tour must be submitted via email to the designated contact for this solicitation no later than **Thursday, June 27, 2019, by 3:00 PM.** Official answers to all questions will be distributed in the form of an addendum emailed to all attendees of the mandatory site visit. Only answers provided by addendum are considered official.

NOTE: If there are any questions Bidders would like addressed at the site visit, Bidders should submit them in writing, to the designated contact prior to the date of the site visit.
