Addendum I

November 14, 2019

IFB # 2019-23 - Commercial Laundry Equipment

IFB # 2019-23 is amended to change as follows:

Page 7, Second Bullet:

Rigging includes installation and removal of the old machine if the facility requests it.

Revised language:

Rigging includes installation and removal of the old machine if the facility requests it. Rigging costs for 200- and 400-pound washing machines will be paid by each facility on a case-by-case basis. If the facility requires rigging, the Facility Steward will schedule a site visit with the awarded vendor prior to ordering the washing machines so that rigging costs can be estimated at that time.

Please sign and return this Addendum with your bid verifying receipt and that you acknowledge and accept these changes to IFB #2019-23.
