

IFB # 2019-23 – Official Responses to Questions

Question #	IFB Section Name	Page	Questions Received in Writing	Posting Date/Responses to IFB # 2019-23
1	General Information	7, 8	If rigging must be included, could we have a reasonable extension to visit all sites where these washers sit and quote with rigging specific to those sites?	No extensions and/or site visits are scheduled for this IFB at this time.
2	General Information	7, 8	Could the bid be amended to include only washers where the rigging path is greater than the washer overall dimensions specified on page 8? Other washers where special rigging or dis-assembly is required would be bid as they come up?	See Addendum #1 for IFB 2019-23.
3	General Information	7, 8	Could the bid be amended to include washer price, freight, and startup (training), and allow for rigging to be at actual?	Bids will be based on lowest cost for washer price, freight, and training. Rigging costs will be paid by each facility on a case-by-case basis. See Addendum #1 for IFB 2019-23.
