

New York state Department of Corrections and Community Supervision

IFB 2020-20 – Revlimid – Central Pharmacy

Questions and Answers Posted October 6, 2020

Question #	Bidder's Question	Answer
1	"Are you looking for a outside contracted pharmacy to fill and bill the Medicaid or buy the Revlimid directly from the pharmacy?"	NYS DOCCS is to be billed directly for these prescriptions. The bills go to the facility housing the inmate/patient for payment processing.
2	"Notice to Bidders Section, Page 5, paragraph 5 titled bid delivery. Due to COVID-19 pandemic, can Express Scripts submit our proposal via on online method rather than a hard copy?"	Due to COVID 19, DOCCS will accept either an electronic or hard copy bid submission for this IFB/Solicitation. See Addendum #1, Sections 6 and 7 for further instruction.
