¹ As of May 18, 2021, the Department's reporting method changed to more comprehensively reflect all tests conducted, resulting in some reporting total changes.

² Represents the current test status and facility for different individuals who have tested positive. For individuals who have tested positive more than once, this represents the most recent test status and facility.

³ Represents all positive tests at a facility, so individuals may be represented more than once.

⁴ Represents all pending and negative tests recorded on the Department's electronic data system.
