

Program Description

The Incarcerated Veterans Program is designed to address the readjustment and re-entry needs of veterans returning to our communities following a period of incarceration.

For more information regarding DOCCS Veterans Services please contact your Facility Veterans Liaison

The New York State Department of Corrections and Community Supervision would like to thank you for your deep sense of patriotism, your courage to enlist in our armed forces, and your service to our nation.

Veterans Residential Therapeutic Program

November 2021

VRTP Objective

To help veterans become aware of their benefits, entitlements, and available community resources. To assist them in verifying their military service and to provide a healing and peaceful environment so they can address any service-related issues.

Gouverneur CF VRTP
