### Old Business

- Board Counsel Kathleen Kiley informed the Board members that it was necessary to vote to readopt the emergency regulations which were originally voted on and approved during the February 7, 2022 Special Meeting. These emergency regulations pertain to Less is More and the Revocation Process and were published in the State Registrar under CCS-08-22-00007EP. The 60-day comment period for the emergency regulations expired on April 25, 2022. Counsel is currently going over the comments received however, they are not prepared at this time to present the regulation for permanent adoption. Counsel proposes a extension of the emergency regulations at this time. Currently the rule text is on the website under 9NYCR Pt 8002.6 Less is More. It can be found on the website under Rules & Regulations. The emergency readoption will be effective for 60-day upon filing with the Department of State which would happen tomorrow (May 3, 2022) should the Board agree to extend and would continue to be an emergency rule. The amendment is adopted as an emergency measure because time is of the essence and the amendment ensures the revocation adjudication process is consistent with the due process clause.
  - Motion made by Commissioner Agostini, seconded by Commissioner Davis and carried to extend the emergency regulation for an additional 60-days,
