Addendum #2
September 1, 2022
RFI #2022-16 – Automated Pharmacy Services

The following are official modifications which are hereby incorporated into RFI 2022-16 – Automated Pharmacy Services. The information contained in this addendum prevails over the original RFI language. For all amendments below, deleted language appears in strikethrough (“xxx”) and added language appears in bold underline (“xxx”).

Updated Key Events/Dates

RFI #2022-16, Key Events/Dates, as listed on page 5, have been updated to change the dates of Response Due to DOCCS as follows:

Table with 2 columns: Event, Date. Rows include Request for Information (RFI) Issued, Questions Due, DOCCS Issues Answers to Questions (estimated), and Response Due Date.

All other terms and conditions remain the same.
