Re: **Opportunity for Bid # MOH 24-01**

PLEASE NOTE:

THE GOALS AS WRITTEN IN IFB MOH 24-01 THE CLAUSE FOR MWBE GOALS SHOULD READ AS FOLLOWS:

GENERAL INFORMATION

Business Participation Opportunities for MWBEs

For purposes of this solicitation, DOCCS hereby establishes an overall goal of **0** percent for MWBE participation, **0** percent for New York State-certified Minority-owned Business Enterprise (“MBE”) participation and 0 percent for New York State-certified Women-owned Business Enterprise (“WBE”) participation (based on the current availability of MBEs and WBEs). A contractor (“Contractor”) on any contract resulting from this procurement (“Contract”) must document its good faith efforts to provide meaningful participation by MWBEs as subcontractors and suppliers in the performance of the Contract. To that end, by submitting a response to this IFB, the bidder agrees that DOCCS may withhold payment pursuant to any Contract awarded as a result of this IFB pending receipt of the required MWBE documentation. The directory of MWBEs can be viewed at: <https://ny.newnycontracts.com>. For guidance on how DOCCS will evaluate a Contractor’s “good faith efforts,” refer to 5 NYCRR § 142.8.

The bidder understands that only sums paid to MWBEs for the performance of a commercially useful function, as that term is defined in 5 NYCRR § 140.1, may be applied towards the achievement of the applicable MWBE participation goal.

The portion of a contract with an MWBE serving as a broker that shall be deemed to represent the commercially useful function performed by the MWBE shall be 0 percent of the total value of the contract.

In accordance with 5 NYCRR § 142.13, the bidder further acknowledges that if it is found to have willfully and intentionally failed to comply with the MWBE participation goals set forth in a Contract resulting from this solicitation, such finding constitutes a breach of contract and DOCCS may withhold payment as liquidated damages.

Such liquidated damages shall be calculated as an amount equaling the difference between: (1) all sums identified for payment to MWBEs had the Contractor achieved the contractual MWBE goals; and (2) all sums actually paid to MWBEs for work performed or materials supplied under the Contract.

By submitting a bid or proposal, a bidder agrees to demonstrate its good faith efforts to achieve the applicable MWBE participation goals by submitting evidence thereof through the New York State Contract System (“NYSCS”), which can be viewed at <https://ny.newnycontracts.com>, provided, however, that a bidder may arrange to provide such evidence via a non-electronic method by contacting the designated contact(s) for this procurement. Additionally, a bidder will be required to submit the following documents and information as evidence of compliance with the foregoing:

1. An MWBE Utilization Plan with their bid or proposal. Any modifications or changes to an accepted MWBE Utilization Plan after the Contract award and during the term of the Contract must be reported on a revised MWBE Utilization Plan and submitted to DOCCS for review and approval.

DOCCS will review the submitted MWBE Utilization Plan and advise the bidder of DOCCS acceptance or issue a notice of deficiency within 30 days of receipt.

2. If a notice of deficiency is issued, the bidder will be required to respond to the notice of deficiency within seven (7) business days of receipt by submitting to DOCCS, a written remedy in response to the notice of deficiency. If the written remedy that is submitted is not timely or is found by DOCCS to be inadequate, DOCCS shall notify the bidder and direct the bidder to submit, within five (5) business days, a request for a partial or total waiver of MWBE participation goals. Failure to file the waiver form in a timely manner may be grounds for disqualification of the bid or proposal.

DOCCS may disqualify a bidder as being non-responsive under the following circumstances:

- a) If a bidder fails to submit an MWBE Utilization Plan;
- b) If a bidder fails to submit a written remedy to a notice of deficiency;
- c) If a bidder fails to submit a request for waiver; or
- d) If DOCCS determines that the bidder has failed to document good faith efforts.

The successful bidder will be required to attempt to utilize, in good faith, any MBE or WBE identified within its MWBE Utilization Plan, during the performance of the Contract. Requests for a partial or total waiver of established goal requirements made subsequent to Contract Award may be made at any time during the term of the Contract to DOCCS but must be made no later than prior to the submission of a request for final payment on the Contract.
