- I. DESCRIPTION:** This directive provides guidance for reporting employee misconduct, recommending appropriate disciplinary action, and for the disciplinary process. (For procedures on reporting criminal charges filed against an employee, see Directive #2112, "Report of Criminal Charges.") The Bureau of Labor Relations, under the direction of the Executive Deputy Commissioner, is responsible for employee discipline, including those actions taken in accordance with Collective Bargaining Agreements, New York State Civil Service Law, and any applicable laws, directives, rules, and regulations. The Director of Labor Relations is designated as the Commissioner's representative with authority for these actions and duties, except designating a Hearing Officer for disciplinary matters conducted in accordance with Section 75 of New York State Civil Service Law. (See Section VI for further detail.)
- II. POLICY:** All Department employees have a responsibility and affirmative duty to report employee misconduct to their respective supervisor and/or Department's Office of Special Investigations (OSI) in accordance with Directive #0700, "Office of Special Investigations," and #2260, "New York State Ethics." Upon receipt of this information, the Watch Commander, Regional Director, or other supervisory staff receiving the information shall immediately contact OSI for direction. OSI can be contacted by telephone during business hours at 518-457-2653 and via the Communication Control Center (CCC) after hours.
- Similarly, allegations of employee misconduct involving discrimination, sexual harassment, or retaliation will be advanced to the Office of Employee Relations (OER) Anti-Discrimination Investigations Division (ADID) for investigation consistent with Executive Order #187. The reporting employee shall utilize the electronic NYS Employee Discrimination Complaint Form, located on the OER website at: <https://antidiscrimination.oer.ny.gov>.
- The Superintendent's, Division Head's, or Regional Director's report will accompany any Unusual Incident Report filed. Under no circumstances shall an investigation into any of the types of misconduct specified in Directive #0700 be commenced unless and until OSI has been consulted; a coordinated response to allegations of employee misconduct leads to more efficient investigations.
- When a Superintendent, Division Head, or Regional Director has thoroughly investigated the facts and circumstances surrounding allegations of employee misconduct and determines that further action may be required, they must prepare and submit a Report of Employee Misconduct and follow the below procedures.

In keeping with past practice, and in accordance with the National Prison Rape Elimination Act (PREA) Standards, Title 28 CFR § 115.76, "Disciplinary Sanctions for Staff," termination

of employment shall be the presumptive disciplinary sanction for staff who have engaged in sexual abuse of an incarcerated individual or releasee. Accordingly, any Notice of Discipline implementing disciplinary action based upon substantiated charges of staff sexual abuse committed by an employee regardless of bargaining unit shall seek termination of employment as the penalty. Disciplinary sanctions for violations of agency policies relating to sexual abuse or sexual harassment (other than actually engaging in sexual abuse) shall continue to be commensurate with the nature and circumstances of the acts committed, the staff member's disciplinary history, and the sanctions imposed for comparable offenses by other staff with similar histories.
