1		Is the NYS DOC looking to add Chiropractic Services to a facility and if so, would that entail the treatment of inmates and or staff?	See IFB 202-27 Scope of Services first paragraph page 27.
2		I'm a Doctor of Physical Therapy do I still qualify?	See IFB 2024-27 Scope of Services Page 27 for Qualifications of Contractor
3		We have one question in reference to page 26 the contractor responsibilities. We employ assistance to help with the chiropractor and we were curious as to if we could bring along an assistant to the clinic date at the selected facility? The assistant the Assistant duties would include keeping track of the patients seen, paperwork, checking vitals, any pre-check work that wouldn't be needed by the chiropractor.	If a chiropractic assistant is brought with you, they must adhere to IFB2024-27 page 25 New York State and DOCCS Polices. Please note that no additional payment will be accepted for an assistant.
